

**Central New Hampshire Corvair
Association**

As a Corvair owner, you may or may not know about the Corvair Society of America, CORSA, and its many chapters located throughout the country. CORSA was founded in 1969 "by and for those who still appreciate the Corvair automobile" and has about 5500 members around the world.

The Central New Hampshire Corvair Association was formed and became a chartered chapter of CORSA in 1981. We are the only Corvair club in New Hampshire sanctioned by CORSA. We meet monthly at member homes, usually on Sundays for ease of participation. The times and locations are printed in the club newsletter.

The purpose of our club is to promote the preservation of these fine automobiles through regular club meetings, participation in car shows, parades, rallies, and of course through our own Annual New England Spring Dust-Off. Membership is open to anyone who enjoys the Corvair automobile, forward control, and its variants. (You do not have to own one to become a member.) A subscription to our newsletter is free with membership.

There is strength in numbers and we hope you will join us. We strive to help members and non-members alike by providing moral and technical support, and by sharing in this love of our favorite automobile. CORSA membership is strongly encouraged but is not required. Please consider joining us. We would love to have you!

Application Form
Central New Hampshire Corvair Association

Name: _____

Address: _____

City/Town: _____ State: _____ Zip: _____

Phone, Fax, Email: _____

Are you a CORSA member: () yes () no () interested

Corvair Society of America CORSA

If you are not already a member of CORSA and wish to join, we can provide you with a membership form. Annual membership costs \$45; save and get 26 months for \$90.

Among the benefits as a member is one of the best monthly car club magazines published. The CORSA Communiqué provides coverage of both national and regional Corvair events, stories, articles, photos, and tech tips. It also features ads for Corvair parts and services from specialized Corvair vendors; and there is a section devoted to Corvairs, parts, and services wanted or for sale by other club members.

In addition to the Communiqué, CORSA provides low cost or free insurance (depending on the event) for local club events and helps produce the annual international convention every year. Sights for these conventions alternate between eastern, central and western US locations. A variety of convention events and activities are planned for the enjoyment of the entire family. Among the activities are; both concourse and peoples' choice shows, economy runs, road rallies, autocross racing, lectures, tech sessions, tours of local sites, pool parties and other entertainment, and an awards banquet. Many major Corvair vendors display and sell new, used, and reproduced parts.

There are many more reasons to join. The magazine alone may be worth the cost so please consider it.
