CHAPTER CHATTER

By Doug Jones

Newsletter time again..... This month is just one month until the convention in Sturbridge, Massachusetts. I hope that a lot of NVCC members can attend even if it is just for a day or two to see the workings of a national convention. It should be a lot of fun and informative, too! This issue of the HAM has both the itinerary for the national convention and some hotel options. Check out pages 3 and 4 for more information on the convention.

Not many of the NVCC group attended the Vair Fair in Lexington. I would have loved to attend but unfortunately, a family commitment had been planned for the same weekend. Our traveling member, Richard Beathard, and his red convertible did attend. Rich told me that about forty or fifty cars showed up. Most of the vehicles were cars of different varieties including hard tops, convertibles, old, new...but there weren't many Greenbriers or Lakesides. There may have been only one. Rich also said that the car tour, or rally, went through some beautiful countryside in Lexington. It sounded like a great drive.

Rich's beautiful convertible took second place in his class. He got beat out by a spyder convertible.

Bill Hubble took the best of show and Helen Smith won the valve cover race. What a surprise!!

May wasn't a good month for the NVCC. The meeting hosted by our secretary, A.J., was not a big success. Unfortunately for A.J., no one showed up to help bleed his brakes. A.J. graciously hosted after Dan had to bow out. I'm sorry that no one was able to attend.

Greg will be hosting the June meeting on the 16th. I hope to see you all there. If anyone has an interest in hosting July, August or September drop me an email so that I can put the information in next month's HAM. Take a look at your Corvair projects and sign up to host a meeting.

This time of year is busy for everyone but it is also show time! Consider signing up for the Father's Day Car Show at Sully Plantation sponsored by the Model A Club. There is always a large variety of antique cars including some unusual imports, antique fire engines, and even an amphacar. Register your car, bring a chair, and plan on spending the day outdoors in the sun. It's always a great event.

See you at Greg's!!

Wow!! Convention planners knew the convention, situated in New England for the first time in CORSA's history, would be a big draw, but they never anticipated filling the host hotel so soon. The Village of Sturbridge is a vacation hot spot, and there are plenty of hotels, motels, Bed and Breakfasts, and campgrounds nearby. Check out the listing below for some local spots that might be able to provide a spot for your stay but not at the group rate as the host hotel. Hotels are listed in increasing order of their distance from the Sturbridge Host Hotel.
