Chapter Chatter
By Rory Clark

Merry Christmas, Happy Holidays and Happy New Year! Many thanks to Bryan and Ellie for hosting this year's Christmas/Holiday party again. As always, their home provided a warm and festive mood for all. There were also a few Corvair's in the driveway for the party.

The annual officers' nominations were held and all of the officers from 2019 were re-elected. As the editor, I encourage all of the group members to forward me articles, stories, pictures, and anything Corvair or tool related.

The \$10 annual dues are payable January 1st, to "Treasurer, NVCC" at the address herein. A prorated amount of \$5 is accepted for periods of less than six months. All other correspondence and submissions can be addressed to the Secretary/Editor. Newsletter expiration date is three months beyond dues anniversary if they are not current. Original material appearing in the HOT AIR MAIL may be reprinted in other non-profit publications with appropriate credits.

RnR garage

Not much has happened in the garage this month due to the weather being so darn cold.

However, while perusing Craigslist I ran across an ad for a set of 15x7x4" backspace S-10 wheels. I contacted the seller, agreed on his vairy fair price, and he even drove them to me. This was a huge score since 14" wheels do not fit over the disk brakes on the Rampside.

Rita and I have also been compiling a list of parts that we need to order from Clark's in order to get Rumpy on the road by spring.

This Month's Featured Corvair

This month's featured Corvair is Darren Pralle's Rampside. This was taken at Fred's house. If you would like to showcase your Corvair, send me a picture and I will feature it in an upcoming issue.

Remember, we have been given a special Corvair power. With that power comes responsibility. That responsibility is keeping this marque alive and viable for future generations. We still have the most affordable classic 60's cars in existence but we, as a club, need to be a part of promoting the Corvair as a really unique and cool collectable car. Let's keep on driving them, fixing them and promoting them everywhere you go.
