What's Going On

Our meeting this month will be on Tuesday, November 17 at 6:30 PM. We will be back at Jake's Goodtime Bar and Grill in Dorr; 1638 142nd Avenue. We will be holding elections for the board of directors for the club. We have three terms that are expiring and need to be filled. If you want to nominate yourself, feel free!

On Saturday, December 5, we will be having a club Christmas Party. Jamie and Tanya Reinhart will be our hosts for the party and will be providing the main dish. We are asking everyone who is attending to bring a dish to pass. Also, we will be having a contest – make a household appliance out of Corvair parts. Be creative with this one. Jamie's house is located at 8928 Stonepoint Court in Jenison. The starting time is yet to be determined. We will send out an e-mail/mailling once the time is firmed up.

Our January meeting will be back at Jake's in Dorr and we will be having another parts auction. This went over pretty well last year so dig up those parts you can bear to sell and bring them to the meeting!

We are also starting to plan our annual Zoup Off. It is scheduled for Saturday, February 13 at Rockford

January meeting will be a parts auction at Jake's in Dorr. We will try to get the restaurant again like we had last year.

The Zoup Off will be at Rockford Ambulance in February.

Color Tour Recap

The color tour was held a little later this year for a couple of reasons – we were touring southwest Michigan rather than a northern locale and reports had the colors being about a week behind. Well, the weather was grey and the color appeared to have come and gone within a week. However that did not stop 12 of us from enjoying some wine tasting and what colors there were to admire. Not all of us were able to drive a Corvair but there were five in attendance.

Our first two stops were at Cody Kresta Vineyard and Warner Vineyards for some wine tasting. We were able to sample six wines at each winery. There were a few of us that ended up purchasing a few bottles!

Unfortunately, Paul and Barb Adams had some Corvair trouble after the first stop but they were close enough to home to get the Corvair home safely and rejoin us in another car.

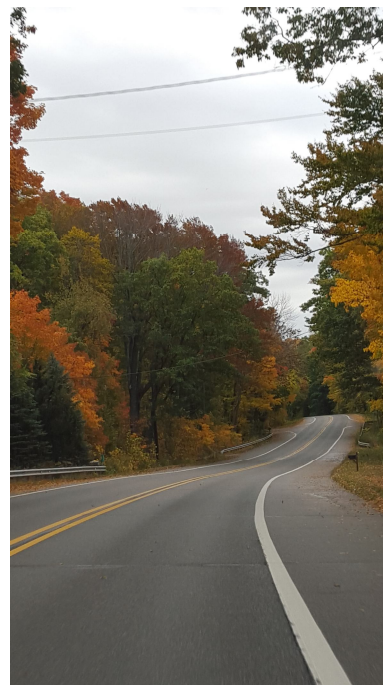

After the wineries we had a nice drive west on Red Arrow Highway over to Coloma. In Coloma we stopped

at the Jollay Dairy Bar which is an old Sinclair gas station restored as a farm stand and ice cream shop. We were able to get our donut and cider fix before moving on to our last winery.

After a couple of wrong turns, we were able to get back on to Red Arrow Highway and get to our last wine tasting stop at 12 Corners Vineyard in Benton Harbor.

Once we left Benton Harbor, we got on Blue Star Highway where we finally saw some nice fall foliage.

We ended the day with dinner at Clementine's in South Haven. Even though we didn't see any sun, we enjoyed the wine tasting, the colors, and best of all – each other's company!
