June 2025 - Volume 52, Issue 6

What's Going On

This month we will be attending the Air Cooled Show at Gilmore Car Museum on June 14. For those who want to rally, we will meet at the McDonald's in Caledonia (9383 Cherry Valley Ave SE aka M-37) at 8:00 AM. We will leave there at 8:30 AM and take our usual route to Gilmore Car Museum. There is a \$25 fee to participate in the show. That covers admission to the show and museum for two people.

Our annual summer picnic will take place on Saturday, July 19 at the cottage of Bob Muir. Bob's cottage is right on the shore of Lake Michigan. Look for more details in the July newsletter.

Another event to consider for July is the annual Corvair Homecoming put on by the Detroit Area Corvair Club. That event will take place on July 10 - 13 in Ann Arbor. For more details, go to <https://detroitcorvairs.com/Homecoming2025.html>.

Welcome New Members

We have had quite a few new people join the West Michigan Corvair Club since the first of the year.

Andy Allen and his wife Lisa live in Holland and they own a 1966 Corsa Coupe and a 1964 Monza convertible. He relocated from the Chicago area and if you have been watching the emails, he provided many great updates from the CORSA International Convention that took place in California.

Jacob Grover lives in Muskegon and he owns a 1963 Monza convertible.

Jeff Johnston lives in Wyoming and he owns a 1965 Corsa convertible.

Tim Eastman and his wife Jill live in Kalamazoo.

Dale Miller and his wife Ellen live in Caledonia and they own a 1963 Monza convertible.

Please make them all feel welcome if you see them at an event!

Spring Dust Off Recap

It was a cloudy, cool day on May 17 when seven Corvairs met up at Alebird in Byron Center to embark on the Spring Dust Off. Jeff Johnston could not continue on with us as he had other plans and Doug Lectka could not continue on with us as his wheel bearing had other plans. Our first stop was Zeeland Bakery where we got our sweet fix and picked up another Corvair. From there we went to Fenn Valley Winery where most of us sampled some wine. One of our members, the “pass out lady”, assisted in distributing the flights. Our third stop was Virtue Cider which would have been a great venue to explore had the weather been nicer. Our last stop was What-Not-Inn for a late lunch. After lunch, people were free to move on to other sites but I think most people went home to warm up (unless their Corvair had heat).
