FOR SALE

FOR SALE (Oct.) 1964 Corvair. I am not a member of your Corvair club but am in possession of a 1964 Corvair 900 Coupe. The car is probably in decent enough shape to restore, but I feel that it would be excellent for parts without a doubt. Cost would be \$300 delivered in the metroplex area. No Title (can give a bill of sale). We inherited this car with the purchase of some land in Jack County. Glass: 1/4 glass and rear glass is good Engine : 6cyl with 2 carbs - not running Trans : Std 4 speed Rust : rust in the floor pan but both doors, fenders, hood and deck lid are rust free. Quarter panels are good but left side showing old repair. Stainless trim in fair/good condition but I did see a couple of hail dents. Car is in Haslet, TX (Alliance Airport area / I35-W) I have my own project and have no plans to work on this car, but would hate to dispose of the car if someone could use the parts. I have included a photo and could fwd more if it is requested. Steve Simpson sbstxweed@sbcglobal.net My # is 817-296-9511.

FOR SALE (Oct.) Nice rear bumper for early model \$100. May have been re-chromed. Rear door glass with gasket for Greenbrier or van \$10.00 Various shop manuals. See pics at www.Larryswebspot.com, or call 972-279-5234. Larry Sorenson, Dallas.

FOR SALE (Dec.)
64 Spyder. Palomar Red/Black. Has non-turbo EM power train. Restorable or a lot of good parts.
66 Monza coupe. White/Red. Non-original 140 HP engine with center-mount 4 bbl, headers, 4 sp. Will run but needs brakes, cosmetics & electrical.
65 Monza coupe. Tan/Tan. Original 110/PG with factory air. Very restorable or put on the road with minimal work.
Cars are located in Brown County (app. 150 miles southwest of DFW) and owner needs to clear the property. Reasonable offers entertained. Contact Lowell Windahl. (817) 223-5004 (h) or (830) 515-9532 © or email lwindahl@aol.com

FOR SALE (Oct.) 1966 Corvair Corsa convertible, originally 180 but now 140/4-speed. Blue w/black interior and white top. Torque Thrust wheels. \$8500. Also a '65 Corsa convertible that needs rebuilding w/running 140/4-speed, and a '66 Monza coupe parts car, mostly complete. Asking \$1000 for the pair. Complete setup to add factory air to non-air car (LM), including center dash vent, evaporator box under dash, condenser, brackets, tube under floor, etc. \$250. Ron Turner. 903 675-1219 (work) 903 681-0839 (cell) 903 872-2611 (home).

A list of Regional Corvair Vendor and Service Providers will be published each year in the December issue of the Transaxle Telegraph. After the initial listing, an annual fee will be charged to any vendors or service providers who wish to have their information published in the Transaxle Telegraph. The fee will cover the calendar year for inclusion in the digital T2 and on the web site. Publication of a vendor's or service provider's information does not constitute an endorsement of their products or services by NTCA.
