

Corvan Antics Technical Index 1972 – 2022

Corvanatics

The Corvair 95 Chapter of CORSA

Prepared July, 2022
Molly Bacon - Secretary/Treasurer &
Newsletter Editor
Steven Spilatro
Webmaster and Historian

This is an index of technical articles from *Corvan Antics* newsletters from 1972 – 2022 published on the occasion of Corvanatic’s 50th anniversary. Articles are indexed within repair manual sections by **topic** and *title*, and ordered from most recent to earliest newsletter. This index can be printed, but when viewed digitally the “[Link](#)” hyperlinks allow automatic downloading of the relevant newsletter.

<u>Section Topic</u>	<u>Page</u>
Section 1 - General Information	1
Section 2 - Lubrication	2
Section 3 - Suspension	2
Section 4 - Steering	4
Section 5 - Brakes	4
Section 6 - Powertrain	5
Section 6a -Engine.	5
Section 6b - Clutch	6
Section 6c - Rear Axle	7
Section 6d - Manual Transmission	8
Section 6e - Automatic Transmission	9
Section 7 - Engine tune up	9
Section 8 - Electrical Systems	10
Section 9 - Fuel and Exhaust	12
Section 10 - Body	13
Section 11 -Accessories	18
Section 12 – Specifications	20

Corvan Antics Tech Article Index, 1972 - 2022

Section 1 -General Information

Design

Compact truck market design components
