10 Mark Schoenholz	Nissan Sentra	full track prepped Sentra SE-R	1:17.61	1:17.79	1:17.60	1:17.60	

Pocono 2004 represents the first time we attempted to break down the traditional "Water Pumper" class, (i.e. non-Corvairs), into sub-classes. We thought this exercise may be of interest to the drivers so that they could compare their lap times. If you have any suggestions for improvement, please contact the NECC webmaster, Al Lacki, at redbat01@aol.com
