*** Ken Klingaman completed all the laps he was due at the Virginia International Raceway time trials, but our transponder equipment failed to record his lap times. Ken drove the same car as Brian O'Neill, as he had a Lime Rock and Pocono this year. At those tracks, Ken was faster than Brian by 1.45 seconds and 2.94 seconds, respectively. Brian's time at VIR was 02:02.938, as shown above.
