**Monthly Breakfast Meeting
May 5th - 9 am at the Pronto Deli**

A brief note to NJACE members and recipients of the newsletter.

Ron DeYoung has had a relapse of a medical problem and will not be able to participate in the NJACE activities for about a month. We will wish Ron a speedy recovery and we will pass along any information regarding his progress. Rich Ribble will fill in for Ron during his absence.

Also, the newsletter is best viewed in email form. The text and pictures are more richly presented and it's more cost effective for the NJACE treasury. So, if you have been receiving the newsletter in the mail and would like to switch to email let me know.

Swap Meet Recap

By Ken Schiffner

Well... for the 2007 Swap Meet, at least the weather didn't disappoint! Balmy, sunny, 80ish on the thermometer...typical late April NJ weather. What a contrast from last year (if you were there, you know, and are still trying to forget!). What a difference a few weeks make!

The weather was great, the food was delicious, those who attended seemed to have a great time... now if only we had more attendees! A disappointing number of Corvair people spent the day scanning and, sometimes, buying each other's parts. There were some real bargains out there... from old Communiques to NOS items, to complete (greasy) engines!

Tony and Helen Gervasio brought delicious chili (Ribs couldn't be there so we couldn't have a chili cook off). Ron and Barbara DeYoung brought donuts and bagels. Bob and Susie Marlow were on the drink crew and didn't disappoint. Ken Klingaman brought the farm-fresh eggs. Helen, Susie Marlow and Barbara DeYoung did an excellent job (thanks!) with the cooking chores (burgers and franks, beans, fixings'). The Franklin Fire Department helped getting the barbecue set up (and even started a fire in it). Lots of leftovers... for the summer party?

About mid morning, a time machine from the '60's arrived... a hippie FC... decked out with the complete "period" eclectic paint job and signs. It turned into an impromptu mini tech session headed by Steve Calandra. Sounded good after a bit of knowledgeable tweaking.

Pete Koehler showed up from Michigan to try out a bucket seat (see picture) and swap tales with Bob Marlow. Pete hopes to be will be working on a Sprint project for Corsa/CPF. John Sweet came in from Western Pennsylvania with a nice selection of NOS parts to sell, and went home with two new engines.

Bob conducted the 50/50 raffle and Clark's Corvair Parts donated some gift certificates, mugs, oil filters and a fan belt which added to the winnings. Even Brian O'Neill won something... an oil filter. Way to go, Brian!

Thanks to all who attended and participated in this year's Swap Meet!
