## **A Holiday Break** *by Brian O'Neill, President*

After a string of very successful technical sessions, our host Larry Ashley needs a break. So, to give him a chance to catch up on his personal projects, we will not have a session after the December breakfast. The tech sessions will start up again in January with the first one scheduled now for January 3.

Although any and all projects are welcome, the goal for the sessions next year is to get cars ready to make the trip to the Corvair convention in Tennessee next June. Let's see if we can put together a convoy to the convention and make the trip there and back with no problems.

You say you're not planning on driving to the convention? Well you should. Those of us who made the trip to the Kentucky convention still

reminisce about what a great time it was. Don't miss out.

**The NJACE Holiday Party will be held on Sunday, January 18,** at the Cannon Gate Catering and Conference Center on Picatinny Arsenal. *[Editor's Note: This is one of the benefits of having a retired Lt. Colonel as club president.]* Located on the arsenal's golf course, the Cannon Gate Catering and Conference Center boasts beautiful views and elegant dining.

The festivities will start at 1 PM and go on until 5 PM. We will have a sumptuous buffet meal and naturally our traditional gift exchange – this year with a new wrinkle. Music and entertainment will be provided by our own Steve Calandra. This is an event not to be missed.

More details will be provided both at our next two Saturday morning breakfast meetings and in

the January issue of this newsletter. So reserve the date on your calendar and start thinking about some interesting gifts for the exchange. Don't just grab a bottle of wine out of your closet. Be an innovative thinker. Remember the shorts from last year and you get the idea.

Be sure not to miss our breakfast on December 6 where we will be having elections for officers next year. A ballot is being sent to you as part of this newsletter. See you at the Empire Diner.

## HOT & COLD

Our "Hot & Cold" tech session on November 7 was a success, with virtually every component of a Corvair heater being examined and a small leak discovered in the air conditioning system of the guinea pig car.

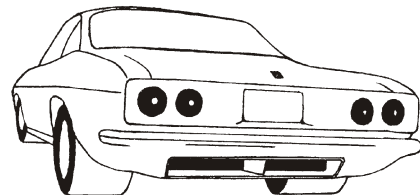

Tech sessions are now on hold for the holidays but we'll resume in January. Watch this space!

A fine night was had by a group of NJACERs on November 1st who enjoyed the Reflections Big Band (with Russ Shaver on the trombone) at the fundraiser for the Shepherd's Haven center at Christ Church in Pompton Lakes NJ.

There were many hor d'voures, desserts, and our own Tim Schwartz won the 50/50 drawing.

### December 2014

For Sale: **1964 Greenbrier.** Original, unrestored, licensed, insured, never off the road yet still under 70,000 miles. 49 years in our family but we are downsizing to a new home and the time has come. It's a five-figure price so inquire if interested. Bob Marlow, phone 201-444-1859, email [vairtec@comcast.net](mailto:vairtec@comcast.net)

For Sale: **Five-Car Garage with Living Quarters.** Seriously, it's a beautiful 3-4 bedroom ranch on 6.7 farm-assessed acres, with an attached two-car garage (heated and cooled) and a detached three-car barn – perfect for a car collector. We are moving closer to the grandkids and so we will be listing the house with a realtor in a few weeks. But before we sign with the realtor, if you or anyone you know may be interested, a no-realtor deal can be struck. Located in Clinton Township, Hunterdon County, a mile and a half off I-78. Mid-\$500s. Bob Marlow, phone 201-444-1859, email [vairtec@comcast.net](mailto:vairtec@comcast.net)

## Ladies and Gentlemen, Start Your Ballots!

Yes, it is that time of year again, when we vote to choose our club officers for the coming year. But, whether it is satisfaction with the job being done or disinterest in administrative matters, our nominees this year are once again only one per position and mostly incumbents.

But you can still exercise your right to choose, because write-ins are welcomed. And a high voter turnout is rewarding to those who offer their services to help keep our club running smoothly.

Your ballot is included with this newsletter. Vote!
