*March 12th @ Mount Olive Grill Route 206 - Flanders,*

This month NJACE will hold it's first Quarterly meeting for 2008. We will have the usual "business" stuff going on as well as delicacies from the menu. We will also be having an NJACE Bingo as our theme for the evening. The cost per game board will be \$1.00. ALL the money will be divided up as prizes for the four [4] games that evening. *March Tech Session - Saturday the 15th @ 10am - from Carry Ashley*

Over the years in NJACE we have had tech sessions at various locations and times. This is where a group of members get together and work on a Corvair, or several depending on the plan of the day. The tech sessions have been at homes, and a number of garages and now, we are starting 2008 with a tech session on March 15 at Ashley's Auto Body. The "Patient" will be Bob Boynton's Late model coupe. The rear suspension is going to be completely restored with new and rebuilt parts. If your "Vair" has sway, wobble and or noises from the rear, then check out this tech session! The shop will be open and available for small jobs and diagnosing problems. One of those may be a late model harmonic balancer replacement. As usual there will be pizza provided by the club and soda for our lunch break. Since this is a club event, participation gets you a point towards the Mary Paxton and Bill Abelson awards. We will get together at 10:00 AM, and continue into the afternoon until Bob's car is back together! Directions are printed below. If lost, call 973-584-7184(shop) or 973-713-0340(my cell #). See you on the fifteenth of March for our St. Patty's tech session. Wear your green coveralls!!!

*Directions to Ashley's Auto Body: From the east, west, and north: Take I-80 and exit at 27 onto Rte 206 south. Proceed about 3 miles south on Rte 206. At the 3rd traffic light, with the Old Mill Shoppe on the right, turn left onto Main St. In 1/10-mile bear left onto Hillside Ave, proceed 8/10-mile to Ashley's Auto Body, on the left. From the south: Follow Rte 206 about 5 miles north of Rte 24 in Chester. # SMALL PARTS AUCTION

*By Larry Ashley*

***It was a very cold day in February, but the weather cooperated for the annual small parts auction. Participants came from Pennsylvania and even Delaware! Even though most drove their modern waterpumpers, there were several Corvair cars and FC's.***

***The Ashley's parking lot had 3 late model coupes, two vans, and my rampside. It seemed like the parts outnumbered the people there, but a good time was had by all. Max, the latest addition to the Ashley family had a great time. He is a beagle, basset, jack russell mix and did a good job of keeping the floor clear of crumbs and debris.***

***As usual our auctioneers did a great job of keeping things moving and interesting. Brian O'Neill, Bob Marlow and Ray Coker kept us laughing and spending money. The club made money as usual and we had our traditional Pizza lunch from "I Love Subs" which is literally only a quarter of a mile away.***

***Just like other events, the club paid for lunch and refreshments. Who said there is no such thing as a free lunch? There were several donations to the club which are greatly appreciated.***

***The real work of the day was done by Donna Ashley, and Cathy Coker. Donna Ashley tallied the transactions and entered the info, and Cathy saved the day with her corrections to the Exel spreadsheet program problems.***

***Jeff from the Corvair Ranch is a regular participant in our auction and it was good to see him. Don't forget to give him business as he is closer than the big vendors and he has rebuilding services as well!***

***I'm sure that those that didn't get the chance to sell, or purchase items will get another at the swap meet in April...***
