ACORNS - Association of CORvair NutS
Rochester, NY - Corsa Chapter 148
October 2025 Newsletter

Pres Says by Brandon Carmo

Hello ACORNS!

That was a quick September. I feel like I say that about every month. Maybe I need a vacation. I can barely recall what I accomplished in a month sometimes, but then if I really think about it, I guess I did make progress on some things, there's just so much more.

In September, we had a missed opportunity for a Tech Session for Jean Marc's late model due to damage sustained to his garage. Luckily his car is ok, but he couldn't get it out of the garage. Hopefully that will be repaired for him soon.

A Tech Session for Dick Gilbert has begun in October. October 4th was the first session, and from what I understand, the engine is ready to drop. Then I believe a new throwout bearing will go in, with the engine to follow. Next session should be Saturday, October 11th. Reminder email to follow.

We made it down to Fred Marsh's house for Corvairs on the Hill. See Activity Report for more.

Fall Color Tour, October 18th! - Due to the good time had at Fred Marsh's, it seemed like a great destination for our Fall Color Tour. Leaves should be changing and the ride should be pretty. Bring a Corvair if you can, if not, carpooling can probably be figured out to get people down there. Fred loves the company and talking about Corvairs, as well as lots of other interesting cars! **Please RSVP by 10/14. We can plan to leave Rochester by 10am.**

We also have our November breakfast/dinner on the schedule for 11/15. I propose that we have a breakfast at Peppermints this day. We haven't done one of these in a while, and it is a simple event, especially as we enter the busy holiday season!

See you all soon and be well,
-Brandon

From the VP's Desk:

Hello All,

As we move into October, summer and the car season are ending, but it was an enjoyable one. It seems to me that summers move way too fast nowadays. I hope you've all had a great summer, and it was good to see those that were able to get together for club functions. I think we had a turnaround summer, and am hoping for even more involvement next season from everyone. We had a great trip down to see Fred and his car collection, and a good time was had by all! I would like to see a bigger turnout as we head back down to Fred's in a couple of weeks for the color tour, if possible. If needed, we could carpool if that makes it easier for members. That's all for now.

Mark

Treasurer's Report

Steady as she goes in terms of the club treasury. No new income, nor any payouts. Only other matter is to please start now in considering getting your 2026 dues in as early as possible so that we don't drag out dues coming in into the back half of the year next year. Your help with this is much appreciated.

Existing members will pay the full \$12 for the year. You can write me a check, made out to me, Mark Webster, and I will cash it and deposit the funds into the club fund on your behalf, or you can Venmo me the dues and I will do the same. My address is

Mark Webster
607 Winona Blvd
Rochester, NY 14617

Venmo me at:

ACORN September Activity Report

September 14, 2025 : Corvairs on the Hill

ACORNers attending:

- Paul Rader & friend Whynn
- Mark Webster - V. P. & Treasurer
- Brandon Carmo - President - '61 Lakewood

A few ACORNS took the ride down to Fred and Sue March's home for Corvairs on the Hill. Fred was a wonderful host as always. It was great to see his Corvair collection, his new Chrysler-Maserati, and progress on his beautiful Ford truck! It was also fun to poke around in the woods! Talking Corvairs and other cool cars with Fred was really fun. He's got great knowledge and experience. They also have some pretty good pizza and wings down in Painted Post. I would recommend checking it out! You'll have another opportunity later in October!
