

NVCC, CORSA Chapter 220

Volume 39

Number 7

July 2022

Chapter Chatter
By Rory Clark

July is here. Man, is it hot and humid. But not so bad to stop us (collectively) to get out in our Corvair's and enjoy the weather. Rita and I have hit a few cars shows and even won a prize on the first time we attended. It was a raffle and we won leather and vinyl cleaner.

Doug's Garage

The June tech session was held at Doug's Garage. Once again, I was not able to make it and Mark came to the rescue with a write up and pictures.

There was a good turnout of members to assist Doug on his 1965 Corsa Convertible.

The task was to get the drums off to be able to check out the brake. The left rear and right front needed some major persuasion so a lot of tools were used. Bob Marshall, Bryan, Fred and I (Mark) were on drums.

Bob Walker removed and replaced the Master Cylinder with a new one. Doua used a drill sanding attachment to clean up the drums.

The crew did a fantastic job getting the Corsa one step closer to being road ready. With a group like ours we are getting and keeping our Corvair's on the road to enjoy.

The Northern Virginia Corvair Club (NVCC) publishes the HOT AIR MAIL newsletter monthly as a service to its members. NVCC is a non-profit chapter of the Corvair Society of America (CORSA). The \$10 annual dues are payable January 1st, to "Treasurer, NVCC" at the address herein. A prorated amount of \$5 is accepted for periods of less than six months. All other correspondence and submissions can be addressed to the NVCC Officers. Original material appearing in the HOT AIR MAIL may be reprinted in other non-profit publications with appropriate credits.

This Month's Featured Corvair

Gary's car is the featured Corvair. The beltline looks great as do the Rallye wheels.

Local Car shows throughout the DMV for 2022

The club is in the initial planning stages of some fun cruises, meet ups at local wineries and breweries, etc. The goal is to get some enthusiasm back into the club as well as bring exposure to the club and to Corvair's in general. People love our Corvair's so let's show them what we have. The meet ups will be club sponsored. If you have any thoughts on a scenic drive please let me know.

For Sale

All items came off of a 64 Vert. 5 wheels, 13" stock rims w/ Hancock Radial H714 185/80/13 90S and 3 bar wire wheel covers. Tires are in great shape, balanced and ready for use. They have 2409 date codes, spare is new but 4808 date code. The caps are not perfect but good driver quality in my opinion. These came with the car and ran them for the first year I had it running, on highway and twisties, and would run them all day still even with their age. Only took them off this year to run slots and wider tires. Also, welded dual mufflers from my 110. I only removed them to run trombones. Asking \$750 for wheels, and \$250 for mufflers.....plus the ride if needed. Located in Winchester VA. I can provide more pictures to those interested. Contact Jason Moore @ eastjmoore@gmail.com

Remember, we have been given a special Corvair power. With that power comes responsibility. That responsibility is keeping this marque alive and viable for future generations. We still have the most affordable classic 60's cars in existence but we, as a club, need to be a part of promoting the Corvair as a really unique and cool collectable car. Let's keep on driving them, fixing them and promoting them everywhere we go.
