

NVCC, CORSA Chapter 220

Volume 40

Number 9

September 2023

The **HOT AIR MAIL** NVCC Club Door is Open.

The August Club meeting was held at Clay's Garage.

Clay has owned his '64 Monza Convertible ("Roxanne") since 2011, when he bought her in Wrightsville Beach, NC and promptly drove the car 400+ miles to Reston VA. Between 2011 and 2014, Roxanne got most work done by Jack Dempsey including completely new brakes, extensive engine work, Wolf rebuilt carbs and a wiring harness replacement. She was always a popular sight in Reston and Herndon. Life got in the way for Clay and Roxanne, however, and a few weeks between starts turned into a few months. Before you knew it, eight years had passed, and . . .

Roxanne was lonely.

The Club gathered at Clay's garage in Reston. Five Corvair's and nine members and we had Roxanne running again in less than two hours. With some fresh gas added to the empty tank and a good cleaning of the points, it was great to hear the car come back to life for the first time since 2015. The fuel pump leaked but was quickly tightened and fixed. The accelerator pump cups in the carbs were not doing their job so the carbs were taken apart to get a good look and two carb rebuild kits were added to the list.

The Northern Virginia Corvair Club (NVCC) publishes the HOT AIR MAIL newsletter monthly as a service to its members. NVCC is a non-profit chapter of the Corvair Society of America (CORSA). \$10 annual dues are payable January 1st, to "Treasurer, NVCC" at the address herein. All other correspondence and submissions can be addressed to the NVCC Officers. Original material appearing in the HOT AIR MAIL may be reprinted in other non-profit publications with appropriate credits.

Clay has placed a significant parts order with Clark's. But we can look forward to seeing the '64 out on the road again before long. Click each of the Engine pictures below for video.

Regarding his first time hosting a Club meeting, Clay said it was fun, educational and certainly a treat for his neighbors (several of them later told him they had admired the parade of Corvairs coming into the neighborhood on a Saturday morning). Clay was most grateful for the generous help and expert advice of his fellow Club members, and he hoped his plentiful supply of Chik-fil-A biscuits, and coffee sufficiently conveyed his appreciation. He's looking forward to hosting a meeting again before the end of the year!

Thanks Clay and ["Roxanne"](#), for hosting.

Upgraded suspension parts for the LM by Brian Brooksby

Here are the pictures of the complete LM suspension upgrade made by Nate Wolfe. I've driven his cars equipped with this set up and they handle like slot cars. I've received all the parts and they are top notch.

Front control rod replaced with adjustable Johnny joint. Front Lower arm greasable USA made ball joint, and spherical joint. Rear control arm with spherical bearing that no longer requires the small connecting rod as the control arm is locked down with no side to side movement.

Contact info
Nate Wolfe
Natewolfe@hotmail.com

Brian, please send me some pictures of the Rear Suspension once it is installed.

Below-NOS Fast box.

The Nash Fan.

Speed Hut gauges mounted up

Of Oil

Bob sent a link with an article about Diesel oil in a gasoline engine. Great discussion.

<https://www.motortrend.com/how-to/diesel-oil-in-gasoline-engine>

Here is richard1's reaction to the article above.

<http://corvaircenter.com/phorum/read.php?1,1171194,1171219#msg-1171219>

This Oil link on the Corvair Center has some good info and talks about Diesel oil use.

<http://corvaircenter.com/phorum/read.php?1,1172400>

richard1 helps us to understand Oil requirements for the Corvair.

Remember, we have been given a special Corvair power. With that power comes responsibility. That responsibility is keeping this marque alive and viable for future generations. We still have the most affordable classic 60's cars in existence but we, as a club, need to be a part of promoting the Corvair as a really unique and cool collectible car. Let's keep on driving them, fixing them and promoting them everywhere we go.

Next Club Meeting Location?

Good weather is here. If you have a Corvair that needs help, let the newsletter editor know to put you on the schedule to host a Club Meeting.

PS

Go on Safari in Idaho.

APPLICATION FOR MEMBERSHIP IN NORTHERN VIRGINIA CORVAIR CLUB

A Chartered Chapter (220) of CORSA, The Corvair Society of America

Date of Application: _____

Last Name: _____ First Name: _____ Birthday: _____

Street Address: _____ City: _____ State: _____
