The Professional Car, C-2, illustrated above, is designed especially for removals and transportation. It also doubles as a flower car and general utility vehicle for hauling chairs and other equipment. In short it will be the "work horse" for your establishment.

Model C-6, the Arlington, built on a luxurious Chevrolet Station Wagon, makes a completely functional Funeral Coach. Note completeness of equipment listed to the left and illustrated above. All items are upholstered and painted to match car's original trim and colors.

Shown above is A-695 PROTECTOR metal screen — approved requirement by many cities for Police vehicles.
