Editors Notes

Since I was not able to attend I requested pictures from the event on Virtual Vairs .

The pictures in this issue were taken at the Convention by Guus de Haan from the Netherlands.

Guus and some others VVer's were kind enough to respond .

I decided to use Guus's Pictures this issues over other submitted basically because of the Unique Situation and distance he traveled to get to the Convention.

Guus Is not a CorvanAntics Member and does not own an FC. (1965 180 turbo Convertible) I am emailing him a complementary copy for his efforts. Thanks Guus!!!!

Thank you to all that submitted pictures. I will use them through out the up coming issues . Your efforts are also Appreciated!!!!

Please continue to send in pictures and articles
Thanks

Mike

Riding With The President

Hello everyone, I must apologize for not having something in the last news letter, you have to realize that I was in the middle of trying to get a convention underway when the report was due.

So, here we are "AC" (after convention) I remember seeing a few of you here and some very nice FCs out there for the little bit I got to get around. Don't let anyone ever tell you that it is a piece of cake to do a convention. Actually it isn't that hard, everyone just has to do what they promise to do and do it on time.

At the meeting at the convention we had the "normal" elections, and I think you will see the slate of officers has stayed pretty much the same. We also had a little impromptu tech session covering several topics and most were FC related. I remember one being about tire and the affect that time has on them.

I do hope that those of you that drove your FCs to the convention made it home OK, if not tell us the tale here. Even if you made it home OK but had some experiences, good or bad, along the way, tell us anyway.

I know that We had a couple of people not there that don't hardly ever miss a show but I understand Dianne Gali was pretty ill and couldn't make the trip. We passed a card around and I am sure all signed the card. You might even send an email if you have the capability, rdgalli@tcsn.net.

We also had one other item of business and a vote was taken and unanimously approved to give Dianne Gali a life membership in the Corvanatics club for the service she has given the club above and beyond the normal.

Ken

From The Secretary/ Treasurer

Now that I've had time to get up to speed, I'd like to add my \$.02. I have gotten the membership roster out to all of you. If you want an electronic one, send an e-mail to me at Lschmuhl@juno.com. If you want one printed and mailed, the price is \$2.00.

We are doing just fine financially, mostly due to the large number of you that signed up to get the newsletter online. For those of you that do that, I've had quite a time letting you know when your dues are due. The paper labels have your dues date highlighted, but I can't do that to your e-mail address.

Please keep your dues up. There are a few who I'm not sure if they don't know or don't want to belong anymore, but postage is too expensive for a personal invitation to become current.

So...here's a list of dues due up until the end of the year. If you are seriously behind, this is your last newsletter.

Please direct all correspondence to me at the above e-mail or my address in the newsletter. Do not send to Diane, as she only has to forward to me.

Thanks
...Larry

Minutes of the annual meeting

Corvanatics

The meeting was opened by President Ken Hand at 7:30 at the Best Western Hotel in Sterling Heights Michigan.

Call for old business – None

New business – election of officers. There was a motion made by Bill Hubble, seconded by Richard Jenkins to re-elect the existing slate of officers. Motion passed unanimously. Officers are listed in the Corvanatics newsletter.

The treasurer's report was made. Larry Schmuhl noted that the online version of the newsletter has reduced the expenses dramatically. He urged everyone capable of receiving E-Mail to consider signing up. Financially the club is in good shape, and there is no need for an increase in dues or costs of merchandise at this time.

Balance of all funds as of 6/30/2007:

Checking –	\$ 1,863.11
Savings –	\$ 1,017.27
CD -	\$ 2,117.56

Total all accounts - \$4,997.94

Bills for last newsletter had not been paid at that time

There was a motion by Larry Schmuhl, seconded by Tim Schwartz to award Diane Galli a paid-up life membership in recognition of her service to the club. Motion passed unanimously.

A discussion of tire and other safety items ensued which evolved into a spirited discussion of replacing items due to age, regardless of wear. Tires and seat belts should be inspected and replaced, though there were different opinions as to how often.

Antennas and door handles appear to be holding up well and do not need to be replaced on a scheduled basis.

CORSA of North Carolina is holding an FC reunion at its event in October. Richard Jenkins invited all, hoping for a large FC turnout.

There were no door prizes, and a donated T-Shirt from Pennsylvania was auctioned off for \$12.00

Respectfully submitted,
Larry Schmuhl
