

New Busin's: Walt Matenkosky stated he is a member of the CCA and has a copy of the race schedule if anyone would want one, see Walt.

Bill Brill expressed his thanks to the people who were responsible for getting the meeting night changed back to Tuesday.

Isadore Krause expressed his thanks for the members who voted for him.

Motion for adjournment was made by Bill Brill, and seconded by Jim Stokes.

Just a reminder if you missed last month's meeting because of the day change. As you may recall when we were forced to find a new meeting place the 4th Tuesday was not available. Of the alternatives Wednesday was selected with hopes of going back to Tuesday if and when it became available. Last month Dave Fabyonic was notified that Tuesday was available. Obviously and because of prior sentiments the change was made. If anyone missed last month because of this I apologize, however a decision had to be made or the option might be lost.

A word of thanks to Dick Breier and Bill Artzberger for arranging the movie for last month's meeting. John Sweet has not confirmed this however earlier this month he mentioned, due to the number of inquiries, he would demonstrate installation of spark plug inserts for stripped threads. Having experienced this myself it will no doubt be an interesting topic. This problem appears to be easily solved, however, have you ever searched for advice via a clerk in an auto supply store?

Don't forget the Econo Fun, Sunday, April 26.

SPECIAL NIGHT FOR THE LADIES -- APRIL MONTHLY MEETING!!

Ladies, don't miss the April meeting. Keep that date open and plan to attend. While the men have the regular monthly meeting going on, Alice Miller has volunteered to show anyone interested how to make silk flower. Anyone who has seen any of Alice's creations, know that she's able to make professional arrangements for all occasions. Alice will bring materials necessary for this. You will receive a free lesson and be able to purchase necessary supplies at a nominal fee.

Nut Rolls - A special request - by LaMoyné Holderbaum

Dough

- 6 cups sifted flour
- 1 cup sugar
- 1/2 tea. salt
- 3 beaten eggs
- 1 cup melted crisco
- 1 can milk (scald & ten cool)
- 1/2 cake yeast

Melt crisco & put aside to cool. Heat milk, put aside to cool. Dissolve yeast in a little of cool milk with 1 tsp. sugar. Beat eggs & put in cool milk.

In large bowl mix flour, sugar, salt. Pour in milk and eggs mixture - mix a little, pour in crisco and work in. Put in yeast mixture, work until soft dough is formed. May need a little more flour. Work 5-10 min. Cover & let raise for 3 hrs. Divide into 6 pieces. Roll out and fill. Place on pans. Let raise 1/2 hr. Prick with fork - Bake 375 35-40 mins. or until golden brown.

Filling

- 2# nuts, ground
- 1 1/2 cup canned milk
- 2 1/2-3 Cups sugar
- 1/4 lb. melted oleo
- 3 tsp. Vanilla.
- Mix together & fill rolled dough.

Any questions, call LaMoyné 412/863-6928
863-9954

- Jun. 20-21 - West Virginia Corvair Club show and Arden Trolley Museum tour.

FIVE YEARS AGO IN THE JOURNAL.

We had just completed our Frost Across Feb. covered bridge tour through the mountains. (We seemed to have had judgement back then)! A Corvair Show, later dubbed, The Steel City Concourse was laid out in vivid detail. We signed up a new member with a funny name - Bill Artzberger!!! A 56 Corsa 140 convertible, in excellent condition, was for sale: \$1200!!!!

These are the minutes from the March 24, 1981 meeting. In the absence of John Sweet, the minutes of the February 25th meeting were read by Dick Breier, and a discussion on the paragraph concerning subscribers was amended to read as follows, (if we have an event the subscriber cannot be involved or participate but can attend a moving event as a spectator). A motion was then made by Bob McCunn for approval of the minutes and seconded by Al Friend. A new member, Dave Garrison, was welcomed & John Kozlowsky, a member from Conneaut Lake, was introduced to many members who have never met him.

Old Business: A review of changes of the amendments of the by-laws prepared by Dave Fabionic, was presented. Each article was read by Wayne Rockhill & discussed by the membership. Various additions were made. The proposed amendments were tentatively approved until drafted for final approval. A motion for this approval was made by Herb Horne & a vote was taken with all in favor, & none opposed.

President Rockhill stated that the jackets had been received, and Bill Brill expressed an opinion that individual names should be on the jackets.

Herb Horne gave a report on the next event, the econo-run. Bill Brill stated that the reservations had been changed to April 26th at Creeks Restaurant for dinner after the econo-run.

Herb Horne added some remarks to John Sweets heater seminar which John conducted at the February meeting.

President Rockhill discussed the May canoe event, & stated that the cabin's had been reserved under the club name and additional accommodations maybe needed. Depcsits from individuals would be accepted on a first come first serve basis.

The 50/50 was won by Jim Stokes. \$13.50 for him and \$13.50 for the club.

President Rockhill discussed literature received on other upcoming shows such as Meyersdale & Syracuse Corvair show.

APR 5
SEVEN WPCC CORVAIRS SHOWN AT MEYERSDALE, PA. SHOW

The pancakes and sausage were out of this world, as usual, at the 34th Annual Pennsylvania Maple Festival. The Corvairs had their own class (Mostly beautiful WPCC cars), judged by beautiful WPCC member Mary Lou Serro. Although a spring shower fell on the way up, the clouds gave way to bright sun shine for the old cars show.

John Benvin's brown 69 cp. took first place; Isadore Krouse' 65 conv. took second; and John Benvin's red 65 cp. took third place. Other WPCC Vairs on display included, the Brill's 62 sedan, the Millers 63 conv. the buffer's 66 yellow conv? (A new one Joe?), and down from the Bedford area with his 66 mid-engine, John Getz. The Breiers were also present, but didn't show a Corvair. Good show gang - that's the way to put our club in the public's eye early in the new year.

JEAN BRILL IS WORKING ON A CLUE BANNER

Jean is gathering materials for a club banner that can be hung from an open Corvair trunk. It will give the club more exposure at shows and meets. It is wonderful to have a member with enough skill to attempt such a project. I'm sure that Jean will bring it to the meetings so we can all watch it progress. Thankyou in advance, Jean.

THE ARTZBERGER'S TIGER CORVAIRS BRING HOME A FIRST AND A SECOND FROM THE PITTSBURGH CUSTOM CAR SHOW.

Congratulations gang, you can't hardly do better than a first and second in the same class! We are vrry happy for you, and very proud to have you in our club. The show was held in the brand new Pittsburgh Convention Center for the first time. Bill, Jim, & Irene gave out a lot of WPCC application forms to passing Corvair owners, who will undoubtedly become new members. I understand that Tiger I now sports a 140 engine with lots of chrome!

OUR NEXT EVENT SUNDAY APRIL 26 THIS SUNDAY

THE 1981 WPCC ECONO RUN, & DINNER WITH THE GANG.

- 1 PM - For tune up checks, coffee, b.s. etc.
- 2 PM - First car off.

WHERE - Start & finish at Bob Holderbaum's Sunoco in Irwin (See map below).

THE COURSE - Same as last yr. (About 60 miles).

DINNER - At Krick's Country Restaurant.

Hey gang, it's spring, the sun is shining, and boy am I itching for a Corvair event. Herb Horn, Bill ARTZBERGER, BOB Holderbaum, & Bill Brill have been working on this casual fun event. Last years econo run saw steady showers (So everyone had water injection) but everyone there agreed that it was one of our better events of the year. This is also an ideal way to have your car checked over by WPCC experts!!! Jim Stokes led the way last year with 37.03 MPG in his 63, 102 H.P. "700". The restaurant is nearby, and is also the same as last year, and is their food ever go-ood!!! The cats are going to be put in classes this year (Automatics, sticks, hi powered, etc.) There will also be a separate class for those who want to pull out all of the stops. (Coasting with the engine off, running stop signs, etc.) Jim Stokes and I will be in this class, I'm sure!!

DON'T FORGET - IT'S THIS SUNDAY - BEFORE THE MEETING.

WOULD YOU LIKE TO WORK SOCA RACES AND ROAD RALLIES?

Walt Matenkosky does and would welcome any WPCC members who would like the experience. Walt will be working various events from May to Oct. If interested call Walt, at home: 537-8922.

THE WPCS JACKETS ARE IN - AND ARE THEY SHARP!!!

Many thanks to Wayne, the Prez, who devoted a lot of time and effort to this project. Thanks also to Jane our fine first lady who probably put in equal time. At any rate, the jackets are very sharp. (Black with gold lettering on the back). If you haven't picked yours up yet, bring a check or the green stuff to the meeting. You'll want to be in uniform for the upcoming spring events.

OUR NEXT MEETING TUESDAY APRIL 28 8PM

GOOD SHEPHERD LUTHERAN CHURCH MONROEVILLE, PA.
SEE YOU THERE.

RAFFLE TICKETS ON A BEAUTIFULLY RESTORED 64 MONZA COUPE - ON SALE AT THIS MEETING.

The Tri State Corvair Club has done what we did a few years ago. They restored a Corvair as a club project, and will raffle it off at their May 2 & 3 event. They sent us a supply of tickets, that I will bring to the meeting, along with a color picture of this maroon with black interior beauty. They sell for a dollar apiece, or six for five dollars. Keep in mind that relatively few tickets are sold in these club projects, which greatly enhances your chances of winning.

A REAL LIVE WILD TURKEY WAS SEEN WALKING ON THE JERKEY TURKEY!!!

That's right folks. What's the Jerkey Turkey, you ask? Well, after Vaun Hamlin put a real nice paint job on Wayne & Judy Jones' 64 coupe; Wayne & Bill Artzberger decided to put one of those huge Trans Am bird decals on the hood. The car at first became known as the Trans Vair, but soon afterward I began calling it the Jerkey Turkey. At any rate, I understand that Wayne drove to his local Post Office the other day, in the Jerkey Turkey. When he left the p.o. and approached the J.T. - you guessed it - there was a real live wild turkey standing right on that decal! I GUESS THAT BIRDS OF A FEATHER REALLY DO STICK TOGETHER!!!

Charles Hamlin

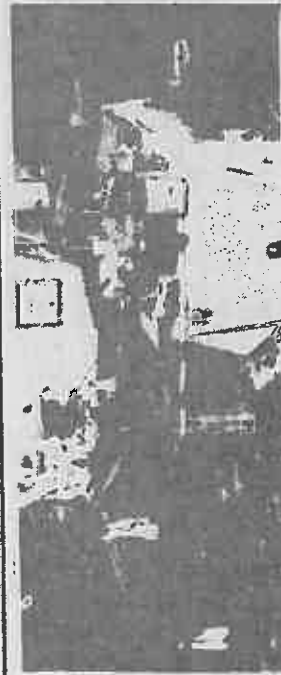

WPCC AGAIN DENIED INSURANCE COVERAGE.

Five active members were tardy on renewing their CORSA membership. That's all it took, folks. Close, but no cigar. Because five members were negligent on their dues, the club is now operating without even liability coverage. PLEASE THINK BEFORE YOU PUT THAT CORSA RENEWAL ENVELOP ON YOUR PILE OF DO LATER STUFF!!!!!! Not only are you going to miss one or more of the finest monthly magazines in the hobby, but you are affecting the financial safety of every member of WPCC, INCLUDING YOURSELF!!!!!! If you choose to wait a while to renew, or to drop out of CORSA - fine, but make it your responsibility to drop your president or editor a line, and we'll move you over to subscriber status until you make up your mind.

Two of the tardy members renewed in April, two more said that they would take care of it immediately, but we have been unable to contact the final late member. We are going to try again in the near future. Don't be the one to cause another failure. Your expiration date is printed right on your CORSA mailing label, why not check it right now to be safe.

Dave Fabyonic spent the best part of a weekend in preparation for our insurance application. If I was one of the five late members, I would give Dave a personal apology. (412)327-7361. Let's all take a minute right now to check our expiration date, so Dave doesn't waste another weekend.

A WEEKEND IN RUSTIC CABINS IN COOK FOREST STATE PARK
ALSO - A SUNDAY MORNING CANOE TRIP DOWN THE
BEAUTIFUL CLARION RIVER.

This could very well turn out to be our best outing ever! The early interest has been overwhelming. Isadore Krouse and Jim Stokes have been putting this very exciting club event together. We have reserved all of the cabins at Scotty's Cabins, Restaurant & Bar, just outside of the park. The cabins are of various sizes, but all have kitchenettes and fireplaces, along with very reasonable rates. There is a restaurant right there, or you can do some of your own cooking. WE MUST BRING OUR OWN TOWELS, SOAP, UTENSILS, BED LINENS & BLANKETS.

The tentative schedule is for a 9 AM departure from Howard Johnson's lot in Monroeville, meeting other members on the way to Isadore's Parts Store in New Bethlehem. Isadore & Shirley will then lead the Corvair Convoy to Scotty's. We will spend Saturday afternoon enjoying the park - hiking, biking, horseback riding, drinking, partying, etc. etc. No sleeping in on Sunday, however, because we have reserved ten canoes for 9 AM! This will be a two or three mile trip, with no white water, so you chickens can relax. If canceling isn't your bag, then you will have another morning to enjoy the beautiful virgin forest of the park. After lunch, we'll pack up and caravan home. There are many interesting and historic places on the way home, and stops could be made at some of these, but those plans can be made around the fire Saturday night.

Since some members will be bringing campers, we should have adequate lodging for everyone, and there are other motels etc. nearby. But to be safe, if you intend to go send a \$5 per family deposit to our president; Wayne Rockhill, 167 N.Y. Lane, RD#2 Venetia, Pa. 15367.

More in next months Journal, but keep this weekend open for one fine Corvair Club event, and get that Vair shined up so we can show them off!!

AKA 81

IMPORTANT: PLEASE NOTE! - A letter from The Good Shepherd Lutheran Church. Since they are good enough to open their doors to us every month for the WPCC monthly meeting, we ask that you take the time to read their rules which were sent to Jan Fabyonic. 1. Each group is responsible for maintaining the orderly arrangement of our facilities. Tables and chairs are to be returned to their proper positions, lights are to be turned off following use, and the meeting area left in generally good order.

2. A charge will be made for custodial services if the area(s) are found to be in careless order. Inspec-tion of the area(s) will be made within 24 hours of your meeting.
3. Organizations or persons making use of the church facilities will be responsible and liable for any damage to the church property. Groups meeting at the church will indemnify and hold the church and its officers harmless of, from and against any and all suits, liability, claims, action and judgements of every kind and character.
4. All arrangements for obtaining and returning necessary key(s) will be made in advance of the meeting(s).
5. Each group is responsible and liable for all equipment and supplies brought to the church and/or stored at the church related to the group's activities.

Jan Fabyonic did receive a letter from the church following last month's meeting. As hard as some members tried to turn off necessary lights, it seems there were some left on in the building. Please try various switches until all lights are off if you happen to be one of the last leaving the meeting in the future.

PUBLIC AUCTION

Saturday — May 16, 1981 — 10:00 A.M.

AT THE HUNTER ARENA — COSHOCTON COUNTY FAIRGROUNDS

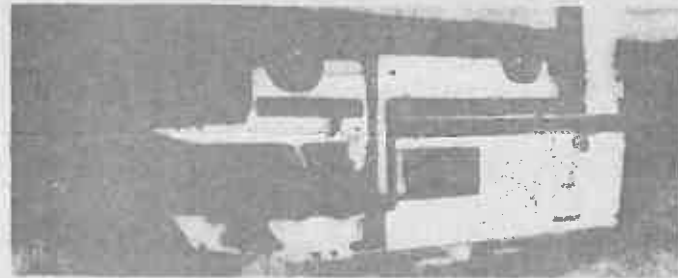

S. 7th Street — Coshocton, Ohio
