

1. THE JUNE MEETING:

Will be held at the Community Room in the Monroeville Mall. (THE BIG ONE!)  
Thursday June 10th. (SECOND THURSDAY FROM NOW ON)  
8P.M. sharp. No excuses about too far to drive now!

2. OUR OWN JUNE 13th. CONCOURS:

LADIES & GENTLEMEN OF W.P.C.C. WE ARE IN THE FINAL COUNTDOWN TO OUR BIGGEST PROJECT EVER.

Thanks to our publicity chairman, Denny Hamill, this is probably the best promoted Corvair event in the history of CORSA. Our story & picture have already appeared in "Old Cars" and "Auto Week", Mark Ellis accused us of getting more attention than the national, and registrations are pouring in from as far away as Michigan & New England. Pick up your phone, right now, and dial "OUR-CARS. Watch Channel 11 News for the week preceding the show, and watch Bill Allan's automobile article in the Monday Pgh. Press (Financial pages). For you downtown swingers read Bill Rasp's "Market Square" June 9 issue. Get the details at the meeting. You McKeesport folks should keep an eye on Red McCurdy's articles in the Daily News.

\*\*\*\*\* SUPER DEVELOPMENT \*\*\*\*\*

The North West Shrine Club of Toledo, Ohio use twelve beautiful, red white & blue Corvairs in their parades. I just received a call from Tom O'Neil their director, TEN OF THEM ARE COMING TO OUR SHOW!!!!!! Denny is revising the press release, and the Pittsburgh Temple has been notified. Many of the Shriners in our area will come to the show to see them. THERE ARE OVER 23,000 SHRINERS IN THE PITTSBURGH AREA!!

Need I say it again, we need every able bodied member and their families at the show, and to man Concours headquarters at the Inn. We must make up our final headquarters schedule at the meeting, CHECK YOUR SCHEDULE NOW, I'LL BE ASKING FOR A DEFINATE COMMITMENT.

We will need members at the training center Friday night to help set up the indoor displays. See you there after dinner.

Drivers will be needed to take our guests to the Ft. Pitt Musium, Point State Park and to the base of the incline. This involves almost no city driving, since the parking lot is right off the Parkway. ARRIVE AT THE INN ABOUT 2:30 SATURDAY.

ON SUNDAY JUNE 13 PLAN TO ARRIVE AS CLOSE TO 9A.M. AS POSSIBLE. SHOW CARS WILL BE ARRIVING AS EARLY AS 8 A.M. AND THERE IS SO MUCH SETTING UP TO DO. PLEASE ARRIVE EARLY AND PLAN TO BE THERE UNTIL 5 P.M. "LET'S REALLY PUT ON A SHOW TO REMEMBER!"

Everyone is welcome at the press preview on Saturday from 12 noon to 2 P.M.

3. Many thanks to the following people who represented WFCC in the McKeesport Memorial Day Parade, The Clever family, the Pezels, Rick Bonner, Chris & Merrill Foster, Tom & Mary Lou Watt, Charles & Barb Hanna, Walt Reczynski, and especially Jeff & Ken Clever, who carried the banner. Ivan and Ed Pezel worked very hard on this project and it should pay off with additional interest in the concours.

Congratulations are in order to Bill & Jim Artzberger for taking first and second place at the Tri - State Custom Auto Show. The Vair powered Avenger took first, of course. Bill & Jim displayed our concours poster with the cars.

The Clevers, Weilers, Friends, & Bob Smith & Son attended the "Friends of Corvair" and "Vacationland Corvair Clubs" meet and auction in Huron, Ohio. We had a great time and met a lot of really super people, many of whom you will meet on the 13th. Ivan took fourth in late model competition, and we lucked out by a quarter of a percentage point with the red 64.

One sad note to report. Jan Fabyonic's Father passed away suddenly last week. May I express condolences from the entire club.

About two months ago I received a frantic phone call from a young man named John Butzler. It seemed that John was in an accident in which his recently purchased low mileage Corvair was totaled. To make a long story short, the insurance company wanted to settle for the ridiculous blue book value, and John didn't know where to turn for help. He contacted Curt Buchanan, who gave him my phone number. A brief letter and a copy of the "Old Cars" Corvair Price Guide did the trick, and John got a fair settlement. This is what the Corvair Club is all about! John then did a very nice thing. He sent a \$10 contribution to the club. I feel that John should be added to our mailing list and the money put toward his WFCC & CCRSA dues if he so desires.

Cal Clark of Clark's Corvair Parts is a definite for the show. They are bringing a mint Rampside. I believe that Art Hirshberger of Solar Automotive is also coming.

We cannot get out of a partial flea market, but Al Thomas desires that ONLY G.M. CORVAIR PARTS BE SOLD ON THE PREMISES. It would be desirable for our members to refrain from selling parts since we are going to need all of you to run the show.

\*\*\*\*\* REMEMBER THE MEETINGS ARE NOW THE SECOND THURSDAY OF EACH MONTH \*\*\*\*\*  
The meetings will now be in the Community Room of the Monroeville Mall.  
However the Jan. Apr. Jul. & Oct. meetings will be at the G.M. Training Center.

IF YOUR CAR IS SCHEDULED TO BE INDCORS AT THE CONCOURS & YOU HAVE NOT MAILED BATES MURPHY A SHORT HISTORY OF THE CAR, DO IT NOW!!!! 4291 Jackson St.  
Murrysville, Pa. 15668

We will have STF Racing Movies at this meeting. Don't miss them.

WESTERN PENNSYLVANIA CORVAIR CLUB SPECIAL NEWSLETTER

\*\*\*\*\* DON'T FORGET THE MEETING, THURSDAY MAY 13, 8PM AT DEVEREAUX CHEVROLET \*\*\*\*\*  
IN FREEPORT

1. CONCOURS DEVELOPMENTS

A. You will find enclosed a copy of our registration form. Please fill it out & bring it to the meeting with you. It would be a great help if our members would pre-register. Remember, we have already advertised that the show will go on rain or shine. Besides we could use the cash flow, and it's a buck cheaper if you do it before June 1. If you can't make the meeting, mail it in. (To Al Friend)

B. You will also find the Corsa Guide For Concours Judges, as it applies to our concours. It will tell you how your car will be judged. KEEP IT, because we will be using it in future years also.

C. Denny Hamill is doing an outstanding job as public relations director. Denny informs us that John Schwartz of Ace Tire in Coraopolis will donate \$100 worth of merchandise for us to raffle off. With John Lloyds advice, Denny has come up with the final revision of the press release. It is very good in my opinion; you will be able to read it at the meeting. We are hopeful of a Sunday Roto story on the concours, but a Monday evening Pgh. Press story by Bill Allan seems more realistic.

D. Wayne Jones has worked very hard to get the final posters ready for meeting night. THIS MEETING is actually the only time you will be able to pick up your supply. We must get these posters up in store windows everywhere! How can you do your part if you miss this meeting???

E. If everything goes right I'll have a finished trophy by meeting night. Wait till you see it. Believe me you will work a little harder on your car after seeing this very unique trophy.

F. Just talked to Cal Clark in Shelburne Falls, Mass. (You know, of Clark's Corvaire Parts Fame). He was quite excited about the show and will set up an exhibit & sell his parts catalogs. He just purchased a 61 Rampside that blew its engine after a few hundred miles & hasn't been driven since!

G. FINAL CONCOURS ASSIGNMENTS: We actually need more bodies at these assignments, if you are not on this list & can make the show, please call: Al Friend 325-2588 ASAP.

We will drive our cars & vans and it should be a good time. The more the merrier. Again, let me know who can help out ASAP.

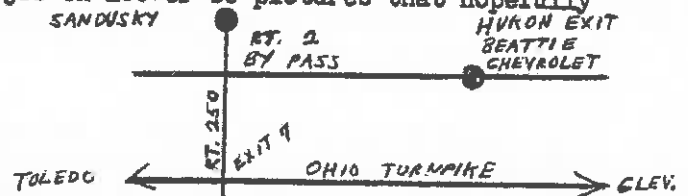

CORVAIR PARADE - John Sebbens, prospective member from McKeesport has agreed to make us two large signs for the sides of a van. Now we need a van & driver for Friday June 11, to make up part of a four Corvair parade to go through town at lunchtime. Who would like to organize a similar parade to go through Freeport, Leechburg, etc?

Don Yenko - has sent us a check for \$100 to help defray costs. A thank you letter has been sent.

INDOOR EXHIBIT CARS - Would the following people please write up a brief history on their car & give it to me at the meeting, or mail it to Al Friend at this return address, ASAP: B. Weiers, I. Clever, J. Lloyd, K. Lageman, W. Matenkosky, W. Artzberger (the Avenger). A write-up will appear next to these cars on a music stand. It is a good idea for everyone to work up something about their car & display it next to your entry.

PRINTING - Ken Boice has been printing up what seems like tons of material for the show. Ken charges us only for material, his hard labor is free. Thank you Ken.

PICTURES - Curt Buchanan has done a beautiful job on 100 or so pictures that hopefully will appear in many mags. & newspapers.

2. MAY 22, 23 OHIO WEEKEND MEET

Bill Klotz of "Friends of Corvair Club" called to personally invite us to attend their meet in Huron, Ohio, near Sandusky. LET'S GET UP A COUPLE OF CONVOYS & GO. Their club has canceled a June 13 event so their members can attend our concours. I really think that we owe them some support. Here is the agenda:

SATURDAY, MAY 22 - 10:00 Fun Rally, 2:00 Swap meet, 6:00 Dinner, 7:00 Corvair Rap Session, 9:00 Vair Movie.

SUNDAY, MAY 23 - 10:00 - 1:00 Concours 1:30 Trophy presentation 2:00 AUCTION - Beattie Chevrolet has at least 14 Vairs to auction off. If you have one to sell, bring it along.

The trip should take about 3 - 4 hours from Pittsburgh. We are definately going as are the Clevers. Since this is the only newsletter before the event, here are the departure times & place for two convoys:

9:00 A.M. Saturday - from The Miracle Mile lot in Monroeville.

9:00 A.M. Sunday - from the Miracle Mile lot in Monroeville.

Motel reservations are no problem, & camping facilities are provided at the site.

I will have a list of the cars to be auctioned off at the meeting, but it does include at least two Spyders, a Lakewood, a 61 Van, & a 61 Rampside.

Let's talk about it at the meeting, but the above departure times are final.
