## THE CONCOURS

It's almost here, "Steel city Concours II". The behind the scenes planning has been almost overwhelming, but should be all worth while, come Saturday and Sunday. Many thanks to the many members who have been chipping in, especially Wayne Jones, who has been doing more than his fair share.

Come over to the inn Friday night and mix with the out of town early arrivers. The Shriners will arrive about 4 P.M. and word has it that a red, white, and blue Corvan has joined the fleet.

Saturday should be a great day. We will need drivers all afternoon, starting about 11 AM, and don't forget free beer in the pool area about 5:30.

Please arrive by 7AM on Sunday. We have an enormous amount of setting up to do before the show cars and spectators begin pouring in. Pray for nice weather, since the Merchandise Mart has been rented out at the last minute.

Ivan has worked out a good flea market system in which everyone can sell parts at our WPCC booth without being there. Bring your parts with you on Sunday morning with a small envelop attached to each part. Write your name and price on each envelop. When it sells, the WPCC attendants will seal the money in your envelop until you come by to pick it up. At this time, you can drop a donation into a WPCC barrel provided for this purpose. Donate anything that you think is fair. It is extremely important that your parts are labeled before you arrive on Sunday morning. You can drop by and change your prices at any time, but initial the change.

Joe Buffer has purchased a large amount of hard to find items, including body panels, out of his own pocket. They will go on sale very early at the WPCC booth, on a first come first serve basis, and are obviously available to everyone. SEE YOU AT 7 AM!

The menu is set for the ladies luncheon: soup, a beautiful chef salad, sherbet, and a wonderful speaker. Carol Austin, your speaker, is looking forward to the occasion, and will answer your many questions after her talk. Incidentally, the \$4.50 price included tax and gratuity. The club is paying for the speaker, and the price is the minimum that we could negotiate with the Inn. PLEASE MAIL YOUR RESERVATIONS TO AL, SINCE WE MUST GIVE THE INN A FAIRLY DEFINATE NUMBER OF MEALS 48 HOURS BEFORE THE LUNCHEON. IF YOU APPRECIATE THE WORK THAT HAS GONE INTO THE SHOW SO FAR, HELP US BY PRE-REGISTERING.

SEE YOU SOON!!

(DON'T MAIL LATER THAN  
JUNE 1.)

YOU SHOULD HAVE KEPT  
LAST YEARS NAME-TAG,  
DIG IT OUT & WEAR IT.  
WE DO NOT HAVE REPLACEMENTS
