

1. Our sincere apologies to the membership on our failure to get the last newsletter out in time, due to circumstances beyond our control. The August newsletter was distributed at the meeting, however many others did not receive a copy. Progress is painful, so bear with us please. Our system is now working like a well oiled Vair and will continue to do so. Ken Boice now has mailing labels prepared and ready; John Greenwald, our editor, is doing a beautiful job; and Al Friend is becoming more proficient with the typewriter.

THE MONTHLY MEETINGS WILL BECOME MORE INTERESTING. ALL START PROMPTLY AT 8 O'CLOCK. AND WILL TERMINATE EARLIER! The officers and board are now meeting prior to the regular meeting to iron out all those dull little details. The business portion of the meetings will now be considerably shorter, allowing more time for technical talk and demonstrations, race and rally talk etc. etc. See you at the all new WPCO meeting Thursday, Sept. 4 at Devereaux Chevrolet in Freeport 8 P.M. sharp! and we mean it!

2. Communication is vital to any organization, so do your part and add those new members to your roster:

Jim Eberg
RD#1 Box 840
Apollo, Pa. 15615
✓727-7849

Richard Wyrick
707 7th Street
West Leechburg, Pa.
845-7794 15656

Henry Iycas
5705 Appoline
Dearborn, Mich. 48126
(313)846-7799

Ken Phillips
RD#5
Indiana, Pa. 15701
354-2224

Ed & Ed Jr. Fezel
205 Glenn Ave.
Port Vue
McKeesport, Pa. 15103
672-5053

Leonard J. Hugel
RD#3 Broadhead Trailer Ct.
Corryville, Pa. 15106
457-9915

Ronald F. McNeish
5600 Walnut St.
Pittsburgh, Pa. 15232
361-6666

Walt Matenkosky
526 Humphrey Road
Greensburg, Pa. 15601
834-8114

Ron Andring
Box 381 A2 Gesser Hill
Leechburg, Pa. 15656
845-7118

ALSO: On the front cover - Dave Fabyonics' phone number should be: 327-7361
On the inside - John Greenwalds' phone number should be: 795-5719

3. What a tremendous picnic we had in August. The location was perfect, the corn and dogs were delicious, volleyball was fun, and what's a little rain! Many thanks to all concerned particularly Ivan & Dorothy Clever, and Dave & Jan Fabyonic.

4. WPCO RALLY - Sunday Sept. 14th - Put it on your calendar now! 1:00 registration, 1:30 first car off; from Devereaux's in Freeport. George will only say that you must have at least one navigator, a working odometer, and we will terminate at a restaurant. See ya'all there!

WPCO CORVAIR CARAVAN - Either Oct. 5th or 12th. Another "There Goes Al" special (from the movie). Are you ready for a fall covered bridge tour in Somerset County, followed by dinner at The Oakhurst Tea Room. A smorgasbord delight you will never forget!

5. The Oct. issue of Car Classics magazine has an interesting article titled "Autos-of Western Pennsylvania". Road about the 1909 Pittsburgh Six.

6. The Sept. meeting is going to feature new member Walt Matenkosky describing his recent experience as a course controller in the SCCA "Happiness is Sunrise" all night professional rally in northern Pa. and New York. This is one of two in the U.S. high speed rallies. Looking forward to your talk and slides, Walt.

7. A great feature of every meeting is Hermie's corner. I feel that something should be said here to the full membership: We are very fortunate to have a mechanic as knowledgeable as Mr. Krump and as willing to help us all by answering our technical questions. Please, when Hermie is answering someones questions, give him the floor and listen, don't talk! Perhaps you already know the answer, but some of us novices would like to hear. One of the reasons we are in this club is to learn more about our Corvairs so let's show Hermie the respect he deserves.

The Officers & Board of Directors

8. Oh yes, at our Aug. meeting we discussed our problems with respect to getting new members on the mailing list and into Corsa. We feel these problems are now solved. We were sorry to hear that treasurer Ralph "Speedo" Weber has been transferred to Michigan and the upcoming meeting will be his last. We're sure gonna miss you Ralph, and we appreciate the good work as treasurer. George Douglas road off a number of upcoming auto events and we mentioned the upcoming Vintage Chevrolet Show on Sept. 13th in Monroeville. Call Al Friend for details. (1962 and earlier) We spent sometime on the picnic, technical talk, and Curt and Chris entertained us again with their movies.

9. The club has a good supply of our gold jackets, club patches, and "I Love My Corvair" bumper stickers. These jackets sure would look nice on our upcoming Fall activities. See Ivan for prices and pick-up.

10. If you are unable to attend the meetings but still have a technical question, drop a line to our editor: John Greenwald, 415 Crestview Dr. Pgh., Pa. 15239. We'll answer it in the newsletter. Send all newsletter adds and articles to John.

11. Front crossmember and suspension rotting out on you? Give new members Ed and Ed Jr. Pezel a call. They ship in rust free front ends from California and install them for you, too. Give Ed and Ed a call.

12. Want to sell used Corsa and Spyder gauges and glove box doors or do you want to buy repaired gauges and doors? Write to : Lewis E. Rishel, 4751 Mt. St. Helens Drive, San Diego, California 92117.

13. COME TO THE MEETINGS & WIN CASH - We drop a quarter apiece into "The KITTY" each meeting night & pull a members name out. You must be present to win however. \$3.75 has built up since the last winner was not present.
