

Plan to arrive at Kaufmann's Monroeville by 11AM, or Kaufmann's Mt Lebanon by 12 noon. At 11:15 the Monroeville contingent will caravan via the Parkway, Liberty Tubes, and along W. Liberty Ave. to Kaufmann's where we will join up with the South Hills contingent. We should be back in Pittsburgh before the sun goes down.

Just a special word to the new & prospective members: These Convoys are one of the best reasons to belong to WPCG. We have a ball, Learn a lot, & get to know each other a lot better. We haven't seen many of you so far, & it sure would be nice to have you along on this trip. If you are pretty sure that you can make it, call Wayne or Judy Jones at 882-2109 to help with their planning.

#### HISTORY OF MEADOWCROFT VILLAGE

Meadowcroft Village was developed by Albert and Delvin Miller on a scenic portion of their old home farm, three miles west of Avella in Washington County, southwestern Pennsylvania. The family farm was originally settled by their great, great grandfather, George Miller, Sr., in 1795. The original patent, dating back to the 1780's was a Virginia land grant.

The Miller Brothers created Meadowcroft Village to preserve the things common to their rural childhood that are passing rapidly from today's scene. In 1968 Albert and Delvin formed The Meadowcroft Foundation to which they gave 200 acres, along with the buildings and acquisitions that had already been reconstructed at the time.

Meadowcroft Village is now being developed and operated as an educational and historical community by The Meadowcroft Foundation, a public, non-profit corporation.

OLD CARS

## Corvair Concours Said Success

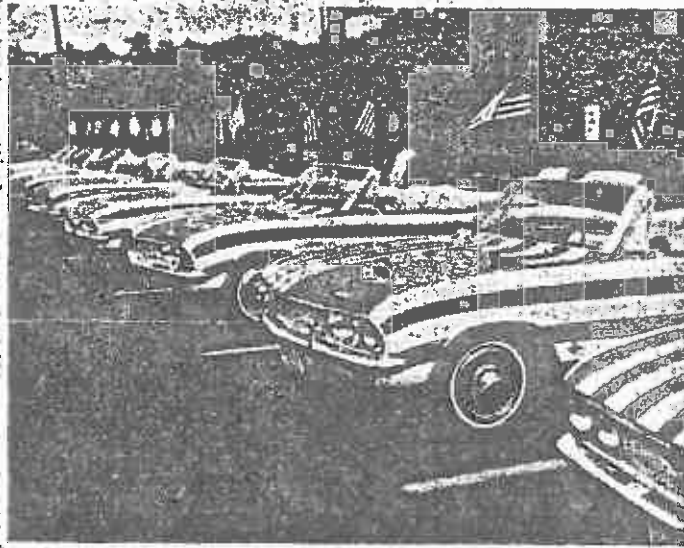

Nearly 1,000 auto enthusiasts proved in Pittsburgh that you can't keep a good car down. The Western Pennsylvania Corvair Club held its first Steel City Concours on June 13 in Monroeville near Pittsburgh, and some 60 enthusiastic Corvair fans brought their cars to the event. Most of whom are planning to attend the CORSA National Convention at Valley Forge, PA, July 15-18.

Corvair enthusiasts came from as far away as Michigan and New England for the show. Adding a note of colorful sparkle to the Concours was the appearance of The Northwest Shrine Club of Zenobia Temple, Toledo, Ohio who appeared in a fleet of eleven identical, red, white, and blue Corvair convertibles. The

Shriners kicked off the festivities with a full regalia parade through Monroeville.

The big winner was Don Schneider of Dundee, Ohio who captured three top awards with his 1965 Corsc convertible which was judged to be flawless. Schneider's "Black Widow" is one of 40 Corvairs owned by the Ohio enthusiast.

Adding a note of irony to the first Steel City Concours was the fact that Corvair nemesis Ralph Nader was in Pittsburgh the night before the show.

Adding a note of colorful sparkle to the Concours was the appearance of the Northwest Shrine Club of Toledo in a fleet of identical red, white and blue Corvair convertibles.

If you like old cars at all (You all obviously do), you really should subscribe to "Old Cars". It is published every two weeks, and is full of very interesting pictures & articles. The price is only \$6 per year, the address is: Old Cars

### 5. THIS & THAT

Don't forget the TAG Invitational, on Sunday Sept. 5 at Eastland Shopping Center, near McKeesport. We will enter one three man team consisting of Dave Fabyonic, Denny Hamill, & Keith Lageman. Denny & Keith will both compete in Keith's Stinger featuring Denny's rear sway bar. Let's see a lot of WPOC jackets & Corvair tee shirts out there cheering on our team.

The tee shirts & bumper stickers are on sale at each meeting, Get em while they last. The "what a Pair" tee shirts are very long and make great night shirts!

Dave Fabyonic went to wider tires and took a fourth at Theron's Country Store, instead of his usual first place finish. Hang in there, Dave.

I think that a list of people & shops in our area who do Corvair work of any type would be very helpful to the membership & more business to those on the list. If you would like to be included on such a list or know someone who should be, drop me a post card as soon as possible. Please print or type the info. so I can read it & mention briefly what kind of work you do & anything else that's pertinent.

There was an Antique Car show & parade in Titusville, Pa. on August 7, and thanks to new member Isadore Krouse we were represented. His trophy winning blue convertible looked real nice in the parade, but the rain kept the roof up.
