## *the Prez Sez*

Well folks, here we are, midway thru 2017. Boy!! Time flies, especially when you get older. Speaking of! Midway thru 2017, we still have some members, who have

NOT paid their 2017 dues. Come on!! people, the dues were due in January. \$12.00 for an individual membership. Please do not force us to drop you from the rolls, after all these years, that you have been a member. Enough said on that matter.

Since the last meeting and last VSJ, when I asked you to help us in the 2018 Convention planning and committees, I have to say that I am extremely disappointed in the response from the membership of the WPCC. Yes we will “get –it-done”, with or without your help, but “low” to the person that says, “Well I would have done it this way of that”. Folks, this is a function of the WPCC, whether you like it or not. We are proceeding forward – not standing still. We HAVE a raffle car, once owned by Vince Duva, gone over by Don Cekus, detailed by Dan Butchko, with ticket sales, probably to start in August, after the 2017 National Convention, in Kansas City. We have most of our committee heads filled, (that’s where we need your help). We are in the final stages of booking the area, where the Concours, and Auto-Cross will be held. We are now 13 months away. We would LIKE your help, so why not take the first step, and volunteer to be a committee head. Give ALL CAPS – JIMMY WEPPELMAN a call.

Having been your President of the WPCC, for the last 2 1/2 years, I would like at this time to Thank all the participating members who have helped or guided me in my duties. We have an older set of members, who have been members a LOT longer than I, and for the most part “set in their ways”. We also, have a “YOUNGER” set of members, who have had different “points of view”. BOTH, were probably correct, but from my position, it was a balancing act. We needed the “older members to show the way, we also needed “new blood”. We have seemed to walk the bridge from either end, met in the middle, shook hands, mended fences, whatever!!!!, and for that I for one am GRATEFUL!!! Thank you all.

To the HACO (Heart of America Corvair Owners Assn.) and CORSA Organization, we here at WPCC, wish you “GOOD LUCK” on the 2017 National Convention and to our members who will be attending, Good Luck and God Speed.

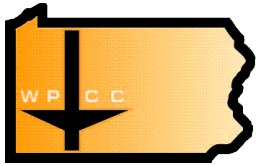

Vairly

Jim Steigerwaldt  
President, WPCC,  
- *Jim*

***DID YOU KNOW...that our current WPCC President has held the office longer than any other WPCC past President? Congratulations Jim, and thanks for all that you do for our club!***

# WPCC'S ANNUAL PICNIC RECAP

Submitted by Charles Lucas

Sarah & I along with Earl & Diane Goehring attended Jim & Terri Madden's Corvair Club picnic on Saturday June-24-2017 in Evans City, PA. As we drove back to our summer cottage that is near to where Earl & Diane live in Harmony, PA, I said, "that was really a great picnic". All agreed; it was a wonderful picnic! I think there were 31 people there, some new at least to Sarah & I because we haven't attended any bi-monthly meetings this year, so we had an opportunity to meet some of the newbies, along with the usual bunch who regularly attend club functions.

There was plenty of great food and drink—you couldn't possibly go home hungry—Terri & Jim's lovely home with an inviting deck and yard, made you feel relaxed and comfortable. There were things to do; meeting and greeting familiar and not so familiar faces, checking out the stable of Corsairs parked on the side lawn or just chewing the fat with the folks you haven't seen for a while.

And then there was the highlight of the afternoon—Jim's powder coating demonstration. It was both informative as well as entertaining. Jim went over the process in detail followed by actually coating parts from a member's Corvair. It certainly looks simple enough, at least that's what he told us, but of course you have to have the proper equipment.

As we continued our way toward Harmony, we discussed how different from the January, winter Holiday Party this event was. Different seasons of course, but it was so much more relaxed because we weren't under a tight time constraint like we are at Grants (Chinese auction, gift exchange and dinner). I'm not knocking the Holiday Party because it's a refreshing break after the holidays in December, but this, like picnics in past years, was a great get together in the middle of the summer.

Last but not least, to Jim and Terri, we thank you for hosting a great Corvair Picnic. I'm sure all in attendance would agree, it was great!

## MEMBER'S GARAGE FORUM

Here's this month's VSJ update on who's doing what with their Corvairs...  
(Btw, it's always great when members write their own headers!)

### EZ ACCESS

While both agreed their 1967 Monza "never ran better" following last month's Spring Tuneup event, there was no denying their motor had some major issues, so new WPCC members

Scott Bussard and son James wasted no time diving in to an engine swap after they made it home.

### HEADREST PROJECT!

Never short of a fun project, Kurt Foltz picked up a rare set of Late-Model headrests that he plans to install after fabricating some mounting brackets when he re-does his upholstery.

### SHE'S ALIVE!

With John Sweet's help, Rod Murray finally heard the rebuilt engine on his 1964 Greenbrier start up for the first time...hey, that only took 7 years!

You can boost another Corvair owner's confidence by sharing your Garage Forum updates. Help each other out, and keep on wrenching!

# WPCC SPRING TUNEUP

This year's WPCC Spring Tuneup, renamed the "Ivan Clever Memorial Tuneup" in recognition of WPCC's founder and inaugural chapter president, was held on Saturday, June 3<sup>rd</sup> at Adzema's Pharmacy off Perry Highway in Ross Township. The event was once again hosted by WPCC member Zeke Braun, whose family owns the pharmacy, and led by Corvair mechanical expert and WPCC member John Sweet. Thanks John, for sharing your knowledge.

The weather was perfect, warm and sunny, and unofficial figures accounted for about a dozen or so Corvairs and roughly 25 enthusiasts in attendance. Light snacks were provided, along with an assortment of Corvair Tuneup Kits and items either pre-ordered or available day-of for purchase.

John's primary tutorials this year focused on overviews of harmonic balancers and oil coolers – what they are, what they do, general maintenance, and cross-year compatibility. The so-called evolution of these items has to leave you wondering if Chevrolet's strategy was based on designed-in-engineering improvements, trial & error, or simply cost-saving...but that's for another discussion.

Following the "classroom" session and inevitable QnA, members splintered off to check on each other's vehicles for some light wrenching assistance as needed. New members Scott and James Bussard garnered a bit of extra attention as they arrived in a Myer's Manx dune buggy and a 1967 Monza, the latter of which reportedly struggled to make the trip from the Beaver Falls area. Turned out the engine in their recently-acquired Monza was suffering from some internal issues beyond what could be repaired in this setting. Nonetheless, members pitched in to successfully help address enough top-end items for them to make the return trip home under the Corvair's own power – Scott later commented that, even though the motor blew oil all over the engine compartment, his son James said that the car never drove better or felt stronger. Scott and James have since moved forward w/ dropping a new engine into their Monza.

It was also great to see WPCC's own Corvair elder statesman, Bill Artzberger, who arrived towards the end of the event with his son Bill, in Bill Sr.'s 1967 custom Monza. This is a Corvair that Bill had restored many years before, and turns out this was the 1<sup>st</sup> time it had been out of the garage in almost that long – it still looked great. Bill posed with members for pictures, and was in great spirits as usual.

The tuneup wrapped up around 2:30. All in all, an excellent Corvair day.

# 2017 CORSA CONVENTION

A few WPCC members made the 14-hour drive to Kansas City to enjoy this summer's annual CORSA Convention and help get a better idea of what we can anticipate for next year's event here in Pittsburgh. Be sure to visit our WPCC Facebook page for various updates, pictures, and videos.

Our 2018 Convention Raffle Car, this beautiful, low-miles 1969 500 shown here as Jimmy and Jonnie Weppelman set out for their roadtrip, was on display and well-received by convention attendees.

The ALL CAPS also kept busy volunteering for various convention activities – here's Jonnie helping out at the Valve Cover Races.

Bob Heiber and Don Cekus were on hand and made some new friends...word is Don was also "Johnny on the spot" with an alternator assist for fellow WPCC Members the Clapper brothers, who were happily defending their title in the Rally event.

# OUR MEMBERS GET AROUND...

Bob Heiber found a treasure at the Corvair Springfest event in Helena, GA...

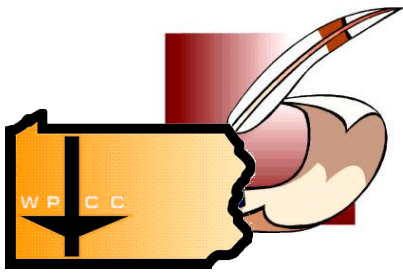

...Jimmy All Caps, Kurt Foltz, and Rod Murray spent the 4<sup>th</sup> of July checking out a Corvair boneyard...

Some Sunday thrift-shopping on a top-down day is always good for the soul...

...James Bussard revs up his Monza with some open road ahead as he and dad Scotted returned home from the Spring Tuneup.

## WPCC Meeting Minutes

### Call to order

A meeting of **Western Pennsylvania Corvair Club** was held at the North Park Clubhouse, Gibsonia, PA. on **Tuesday, May 23, 2017**. Officers in attendance included, President, Jim Steigerwaldt; Vice President, Don Cekus; Treasurer, Darlene Kady; and Secretary, Jim Weppelman. Board of Directors present included; Les Walter, Don Bakat er, Pat Greenwald, Steve Puskas, Bob Heiber, and Jim Madden. 26 members in all, with 7 Corvairs in the parking lot.

### Approval of minutes

President Jim Steigerwaldt called the meeting to order. Chuck Chieffo motioned to accept minutes of last meeting, as published in the March, 2017, Vair Street Journal. Jim Steigerwaldt seconded.

### Reports

New members Alex Macek, and her boyfriend Mark, were on hand with her 1964 Monza coupe that is supposed to be Don Yenke's wife's car. Also new member Chuck Chieffo was on hand.

Jim Steigerwaldt relayed a story of him losing a large check, and being found and returned to him, with the finder asking for a date!! Jim also commented on seeing a few Corvairs from route 19, when the Victory Church Car Cruise was being held. Here it was Peg and Bob Morgan. Don Cekus, and Jim Madden's cars.

Jim told the membership the ordeal with the copies of the original charter membership plaque. It seems that other clubs only want it in digital form. They do not want CORSA to spend the money for a paper copy.

Jim also commented on the load of signage and materials that will be coming back from this year's convention in Independence, for use at ours next year. Jim is willing to store the items till then.

Treasurer Darlene Kady referenced concern regarding some members that still owed their 2017 dues and risked being eliminated from the roster. Darlene stated at the November, 2016 meeting that she would prefer all dues be paid by check. She asked that a reminder be included in the September, 2017 VSJ. Darlene stated that we have gained a few more new members, including Kurt and Michael Kress. With the addition of various new members she asked that an updated roster also be included in the next available VSJ.

Darlene gave the financial report, details available in this issues Treasurer's Report.

Jim Steigerwaldt motioned to accept Treasurer's report, Celena Butchko seconded.

Jim Weppelman read the following updates from member Rod Murray who was unable to attend the meeting...the chapter's history on the WPCC website is now available, but still could use some additions and corrections if anyone has any more information...the process of digitizing older VSJ newsletters is ongoing for inclusion with our website's VSJ Archives...a WPCC "Gift Membership" link has been added to our website – please check it out...and, coming soon, Rod hopes to launch a "Corvair Wish List" link that allows chapter members an opportunity to share their own personal "Wish List" with their family and friends for Corvair-centric holiday/birthday gift ideas.

Secretary JIM WEPPELMAN, briefed the membership on the 2018 CORSA Convention. Jim also brought the raffle car to the meeting. The 1969 500 coupe, that was once owned by member Vince Duva, will be the upcoming raffle car for the 2018 Convention in Pittsburgh. Jim told the members of how he would like the raffle to be run, and how the proceeds will be spent. Jim will be taking the car out to Independence convention to "kick start" the Pittsburgh convention. Raffle tickets cannot go on sale till July27, 2017. The small games of chance license form Butler County is good for only one year. The car will also be at the Pittsburgh Grand Prix in July, with thanks to Mark Gillespie, and Darlene Kady.

Jim Madden spoke of the upcoming WPCC picnic at his and Terri's place. Terri would like a RSVP, and what you will be bringing so there is not doubles of food. It is on

Sat. June 24. Jim also stated that anyone interested in the wine trip to contact them on the Hotel arrangements. The Lodge on the Lake has a couple different room options.

Vice President Don Cekus talked about a recent tour that Mary Ellen and he went on up in the Buffalo, New York area. He won first place award for "my luck ran out". Don also mentioned that members Polly and Bob Tedesco will not be going to the convention, and have rooms at the host hotel for grabs.

Les Walter had a sample of a jacket that might be used for WPCC, cost is \$34.00, with larger sizes a bit more.

Kurt Foltz mentioned his rock band, Hard Karma, will be playing at the Good Time Bar, in Millvale, on Aug.11. Kurt also mentioned the first car cruise at the Wexford Northway Church will be the Friday before Memorial Day.

A reminder was also provided for the newly-renamed Ivan Clever "Spring Tuneup" to be held on June 3, hosted

by Zeke Braun and led by lead mechanical expert John Sweet, at Adzema's Pharmacy in Perrysville.

Don Baker gave an update to events around the Pittsburgh Grand prix.

### Motion

President Jim Steigerwaldt made a motion to adjourn. Jonnie Weppelman seconded.

Respectively submitted,

It's been a good, but very busy, past few months for me as our Pens won their 2<sup>nd</sup> straight Stanley Cup...1<sup>st</sup> time an NHL team has won back-to-back Cups since 97-98, wow!

As my group handles event presentation and PensTV coverage, we were progressively hustling a bit more through each of the 4 rounds. One of my personal traditions is to give my team a "season-themed" shot glass each year as a small keepsake and do victory shots after each home ice post-season win. I cleaned out the liquor cabinet this year - we went thru a bottle of Irish Whiskey, top shelf tequila, Jim Beam Red Stag, some schnapps, Maker's Mark, even some moonshine. Most of my group is under 30, and I never could get everyone to agree on a preferred shot of choice, but nobody declined to participate and the group seemed to grow as we advanced with each round. The tradition continues...Everything culminated

with the sold-out Game 6 watch party the Pens hosted as we won the Cup in Nashville – we "borrowed" one of the miniature Stanley Cups in the Pens lobby long enough to fill it with champagne for some victory sips (I need to have our department's carpet cleaned after that one!)

A few days later we enjoyed the victory parade and rally. My role was to get all the parade participants organized and moving at the busway, while the rest of my team either covered the event with our PensTV cameras and/or by directing the Rally stage at the Point. A few of us were also lucky enough to join our front office co-workers and families to ride in the parade – it was pretty special. Once (or twice!) in a lifetime stuff!

And this past week, our staff was invited to bring a limited number of guests in for some photos with the Stanley Cup. I'm very fortunate to have a terrific group of friends that help me balance my life between work and home, and I'm really happy that they were able to share this opportunity with Michelle and I – here's the group picture we took – not everyone could make it, but you'll see a few familiar WPCC faces in there.

So the only real negative to a post-season run like this is the abbreviated summer – there's just less time to get stuff done, whether it's work, home, friends, or Vairs...There's no such thing as an off-season anymore. Summer means NHL Awards, NHL Draft, Development Camp, Free Agency, etc., and Training Camp is just over 2 months away. No complaints, I just try to make the most of what time away from work is available...

**VAIRS AT HOME...**John Sweet successfully help me start the Greenbrier's rebuilt engine for the first time. It ran surprisingly smooth, with only minor adjustments being needed for now...Speaking of the van, All Caps delivered a roof rack I purchased on eBay, and another good friend, aka Hot Tub Keith (fyi, he invented the Bean Bag chair – no lie!) has been helping me body prep for paint – I don't know how far we'll get with this, the time crunch is on...After failing to bother even cleaning the Monza for the tuneup, I finally gave it an overdue detail in & out over the July 4 weekend, and actually gave it a real coat of wax for the first time since moving to Pittsburgh 7 years ago (shameful on my part). I still need to install the factory Kleenex box...On the thrift and estate sale side of things, I'm developing a hankering for tin friction Corvair toys on top of my passion for Corvair adverbilia, so we're always on the lookout for those.

**WPCC ET AL...**Club activities have ended up on the short end of late...this VSJ is behind deadline, I'm derelict on my Convention commitments to All Caps, I missed the last chapter meeting and club picnic, and I'm belated on the VSJ scanning and "My Corvair Wish List" projects. I'm also a bit behind on poking CORSA with my latest membership or fundraising idea...But hey, on the upside, I did get to check out a Corvair boneyard w/ All Caps and Kurt on the 4<sup>th</sup> of July – that was a bit of bittersweet awesome.

Editorially Yours, Rod

FELLOW MEMBERS,

I JUST CAME BACK FROM THE CORSA CONVENTION IN INDEPENDENCE, MO. FOR PICTURES, ETC. SEE THE WPCC FACEBOOK PAGE. THE ONE THING THAT RINGS TRUE, FOR EVERY CORVAIR PERSON I KNOW IS THIS; THE CARS BROUGHT US TOGETHER, BUT IT'S THE PEOPLE THAT KEEP US TOGETHER. THIS COULDN'T BE MORE TRUE THAN SOME OF THE HAPPENINGS AT THE CONVENTION. FIRST OUR OWN DON CEKUS JUST HAPPENED TO HAVE A SPARE ALTERNATOR (THO THERE WERE A FEW FOR SALE IN THE USED PARTS AREA) FOR THE CLAPPER BROTHERS WHO LIMPED THEIR CORVAIR BACK FROM THE ROAD RALLY. OR THE GENTELMAN THAT WON THE "HARD LUCK AWARD" TRYING TO REPLACE A WHEEL CYLINDER AND THE CAR FELL ON HIM! NO JACK STAND (SAFETY, SAFETY, SAFETY). LUCKILY HIS HEAD WAS PLACED PERFECTLY IN THE WHEEL WELL TIL THEY COULD GET IT OFF OF HIM. ED AND BILL CLAPPER WERE TO FOLLOW A FRIEND HOME AND RIGHT BEFORE THEY LEFT, THE FELLOW'S STARTER WENT OUT ON AN EM. MOST VENDORS HAD ALREADY LEFT, SO THEY CONTACTED MIKE MCGOWAN WHO WENT BACK TO HIS PLACE TO

GET A REPLACEMENT AND PUT IT IN. I TRIED TO DO MY PART BY BRINGING BACK PARTS FOR ROD MURRAY AND BILL CLAPPER (THEY FOUND OUT I HAVE A TRUCK - LOL). ALSO ALL THE CORSA BANNERS, AND SIGNAGE (GOOD THING I HAD A TRUCK!!) FOR JIM STEIGERWALDT TO STORE TILL NEXT YEAR. I ALSO PLAN TO MAKE A TRIP TO GALION, OHIO THIS MONTH TO SEE A CORVAIR FRIEND MARK CORBIN (AKA MR. AIRVAIR (A/C GURU)), AND PICK UP SOME SIDE SEAMLESS GLASS FOR MR. CHARLES MOSS. SO I ENCOURAGE ANYONE OUT THERE WITH A CORVAIR TO HELP OUT EACH OTHER, TO PROGRESS THIS HOBBY, AND MAKE IT VIABLE FOR EVERYONE TO ENJOY THESE CARS AND PEOPLE.

BIG WELCOME TO ALL THE NEW MEMBERS!!!!

THANKS

JIM WEPPELMAN aka JIMMY ALL CAPS  
WPCC SECRETARY

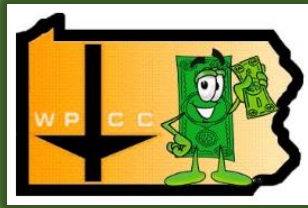

### **BETTER THAN A SOUVENIR...**

My family was in our nation's capital last weekend and toured the National Archives for the first time to see our nation's most sacred documents. It was awesome. After leaving the rotunda where the Declaration of Independence, Bill of Rights, and Constitution are displayed, I headed over towards the gift shop - look what's on display as you enter the store! I don't think our founding fathers will mind an I-Phone no-flash photo of this National Treasure!

## Treasurer's Report July, 2017

*Financially Submitted, Darlene*

**Treasurer's Reminder:** It seems that even after reaching out there are members who still have not paid dues for this year. I don't like to call anyone out so please look in the mail for your letter and if you are not rejoining please let me know so that we can take you off the email list. I hope this remains just an oversight and everyone still wants to belong to such a wonderful group. Thank you, Darlene

On a different note it was discussed at the meeting that we will have space in the Yenko tent free of charge during the weekend of the Vintage Grand Prix in Schenley Park. The coordinator of this Mr. Mark Gillespie has asked that anyone available to assist on Friday July 14th any time after 8 AM to unload cars from trailers and whatever else needed to set up for the weekend to let me know so that I can give him a number of volunteers. He recommended that you bring a cooler with beverages, snacks or lunch, and chairs. Thank you in advance, Darlene

Rod, Sorry this took me so long to get to just seemed to get away as everything does. See ya soon!

Also, welcome to new members Scott & James Bussard, Denny Conti, Kurt & Michael Kress, and Alexandra Macek. We look forward to getting to know you as members of the WPCC family!
