

High Performance Driving at Summit Point
Monday June 22, 2026
Event Guide

NECC is proud to bring you a day of high-performance driving at the Shenandoah circuit at Summit Point Motorsports Park.

The Event:

Our high-performance driving event consists of tech inspection, group driving sessions and open-track driving sessions throughout the day. Timed laps begin mid-afternoon. No transponders necessary; we'll be using traditional stop watch timing with two persons timing each car.

All makes and models of cars are welcome to participate in this event including unmodified factory street cars as well as cars modified for track use. Our starting grid often includes Porsches, Mazdas, Mustangs, Corvettes, Camaros, Mini Coopers, Corvairs and more. We have had everything from a Ferrari to a Yugo on the track with us. No matter what you drive, you will get plenty of time on the track.

All cars and drivers will be subject to our usual safety and tech inspection procedures outlined below. 3-point or greater safety harnesses are required. Roll bars required for convertibles. All drivers at all times when on the course must wear safety helmets. Helmets must have a Snell Foundation rating of either SA2015 or SA2020.

Rules for You and Your Car

NECC Rule Book.

NECC has comprehensive rules for cars and drivers who engage in high-speed events. They are posted at our website at:

https://www.corvair.org/chapters/necc/rules/necc_rules_all_moving_events.pdf

NECC rules will be strictly enforced for cars and drivers.

NECC Tech Inspection.

Failure to pass tech inspection will result in your car being disallowed from being driven on the course.

A copy of the NECC Tech Inspection form is included among the attachments to this document.

Before you leave home, please inspect your car using the tech inspection form and make any necessary adjustments or repairs. Then, when you arrive at track, present your car and the official copy of the tech form to the NECC Tech Inspector, who will re-inspect your car on the spot.

If your car fails tech inspection, you may be due a PARTIAL refund of your registration fee depending on the circumstances. Check our Refund Policy at

http://www.corvair.org/chapters/necc/rules/necc_rules_refund.pdf

Reminders.

LAP AND SHOULDER BELTS: All vehicles must be equipped with lap and shoulder belts for the driver. Additionally, every Competition-type vehicle must have a minimum of a 4-point harness with 3 inch webbing. Competition-type vehicles are defined in the NECC Rule Book.

ROLL BARS REQUIRED FOR OPEN CARS: Any convertible or roadster must be equipped with a roll bar or roll cage. Factory roll-bars are generally OK. See:

http://www.corvair.org/chapters/necc/rules/necc_roll_bar_specification.pdf

DRIVER HELMET: All drivers at all times when on the course must wear safety helmets. Helmets must have a Snell Foundation rating of either SA2015, SA2020 or better. The rating is printed on a sticker located underneath the padding.

Owner/Driver Signature _____ NECC Inspector's Initials _____

Owners and Drivers are responsible for preparing and maintaining participating vehicles in safe condition. NECC and its representatives and affiliates are not responsible for the failure of any components or for any incidents related or consequential to such failure. For more information, see NECC Rulebook for Cars and Drivers at neccmotorsports.com.

1. Competition-Prepared Vehicles must be equipped with (a) 3-point body restraint belts with 2" webbing or better, (b) braced roll bar or cage, (c) fire extinguisher or other fire suppression system, and (d) driver window netting where practicable. A Competition-Prepared Vehicle is one that either (a) was manufactured specifically for racing, such as a formula racing car, or (b) is not street-legal because it lacks equipment or features the law requires to allow one to operate it legally on public roads at any time and without restriction.
2. Convertibles must be equipped with roll bar or cage. Factory roll bars generally acceptable.
3. See NECC Rulebook for Cars and Drivers for full explanation of clothing requirements.
